

WILSON LANDS IN BREST, FRANCE, AT 3:22 THIS AFTERNOON

America's Executive Hailed as 'Messenger of Justice and Peace'

GERMANS CHEER AT THREAT OF YANK TROOPS IN BERLIN

To Ask American Occupation
Unless Bolshevism Ceases,
Declares Scheidemann

LONDON, Dec. 13.—Allied occupation of Petrograd, Kronstadt and Moscow is advocated by Rear Admiral Kemp in a letter to the Times. He was British naval officer in northern Russian waters until November.

AMSTERDAM, Dec. 13.—The German government will ask the Allied armies to occupy Berlin in case the Bolshevik movement continues to grow, Philip Scheidemann declared in a speech at the capital, according to Berlin despatches received today.

Scheidemann predicted American troops would soon arrive in Berlin upon which his audience cheered.

"The government has decided to shrink from nothing to establish order," Scheidemann said in addressing an open-air meeting. "We will request the enemy armies to occupy Berlin if the Spartacus group continues its demonstrations."

"We may have American troops here shortly—God knows for how long. Is that what the people of Berlin want?" "Long live Wilson!" the crowd shouted.

"Better the Americans than the Spartacusians!"

WASHINGTON, Dec. 13.—Philip Scheidemann's statement as to the American occupation of Berlin is taken here largely as a play by the Socialist leader to instill the fear of the United States military forces into the masses of Germany.

The war and state departments have persistently denied that any such occupation is contemplated. While a state of utter anarchy would doubtless cause a shift in Allied plans, it is stated strongly there is now no intention to interfere internally in Germany.

Both departments have been in the dark as to recent neutral country cables claiming to have word from America that occupation was contemplated. These are now believed to be "planted" reports, inspired by those Germans who desire to quell Bolshevism through fear.

AMSTERDAM, Dec. 13.—The workmen and soldiers' council of Hesse has dissolved and the "People's Council for the Republic" has been organized, according to the Berliner Tageblatt. The new body includes representatives of all classes favoring the establishment of a republic.

TELL HOHENZOLLERNS TO GET OUT, ADVICE OF DUTCH NEWSPAPER

AMSTERDAM, Dec. 13.—The Nieuwa Van den Tag urges the government to request the Hohenzollerns to leave the country.

Premier DeMeerla declared in a speech that the government is willing to discuss with the Entente extradition of the former kaiser, providing the discussion is in keeping with Holland's honor and dignity. He stated that the present arrangement is provisional.

The Three Crosses

Written and dedicated to the Christmas Roll Call of the American Red Cross by Edmond Vance Cooke.

The iron cross is black as death and hard as human hate;
The wooden cross is white and still and whispers us "Too late."
But the Red Cross sings of life and love and hearts regenerate.

The iron cross is a boastful cross and marks a war-mad slave;

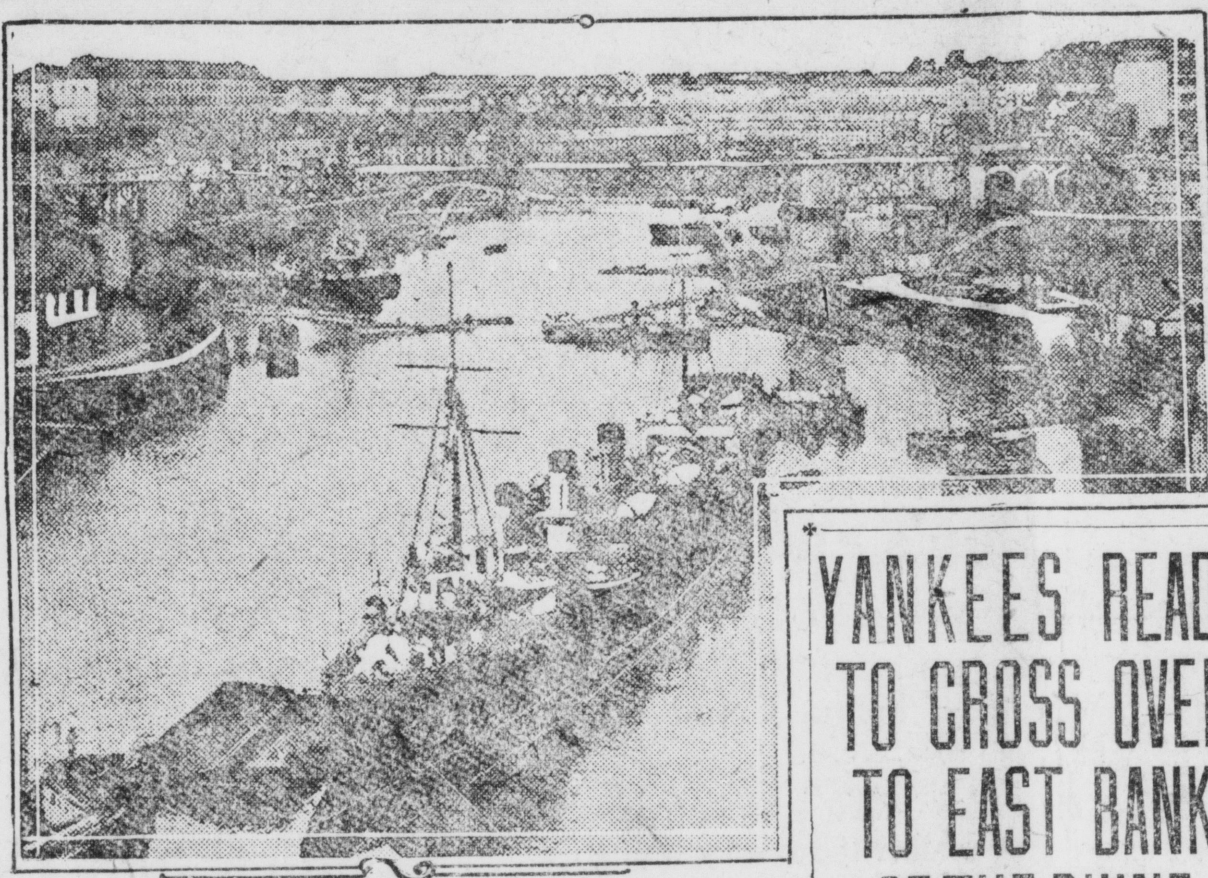

The wooden cross is a dumb, dead cross and guards a shallow grave,

But the Red Cross reaches out its arms to solace and to save.

The iron cross is a kaiser's cross and narrow in its clan,
The wooden cross is a soldier's cross and mourns its partisan,

But the Red Cross is the cross of One who served His fellow-man.

SCENE in the port of Brest, France, the harbor where President Wilson's party to the peace conference embarked this afternoon and was welcomed by the French foreign minister and a group of notables of the sister republic. Brest has become one of the world's busiest ports as a result of war, and evidence of American building enterprise is everywhere in warehouses and docks and other structures.

Last Minute Bulletins

WASHINGTON, Dec. 13.—A resolution to make permanent control of telegraph and telephone lines was introduced in the house today by Representative Moon, chairman of the house postoffice committee. The measure also embodies government ownership.

WASHINGTON, Dec. 13.—The distinguished service medal was today conferred on General March by Secretary of War Baker.

LOS ANGELES, Dec. 13.—The first section of the 143rd Field artillery composed largely of Californians, left Bordeaux, France, for home today, according to a cablegram received by Mary Pickford, the regiment's godmother, from Chaplain Fred Thompson. The cablegram said the entire regiment expected to be in the United States by Christmas.

LOS ANGELES, Dec. 13.—Twelve men and two women were arrested today when the police raided the Liberty Fair, charged with operating games of chance. Police alleged that the games including wheels of fortune and similar devices, were violations of the law against games of chance and are schemes to get the people's money.

NEW YORK, Dec. 13.—Twelve cars oranges and four cars lemons sold today. Oranges strong and about 10 cents higher. Averages, \$4.29 to \$9.63. Highest price, Old Mission, \$12.37.

LOS ANGELES, Dec. 13.—The Spanish influenza situation in Los Angeles looked still brighter today. To 10 a. m., 341 new cases and six deaths had been reported, a decrease of 100 from yesterday. Since Sunday a total of 3454 cases and 125 deaths had been reported.

W. S. S.—Show me your Red Cross membership button and I'll tell you what kind of an American you are.

YANKS READY TO CROSS OVER TO EAST BANK OF THE RHINE

Now Patrol Historic River on
60-mile Front; Guarding
Stolzenfels Castle

BY WEBB MILLER
(United Press Staff Correspondent)
WITH THE AMERICANS ON THE RHINE, Dec. 12. (By Courier from Coblenz to Nancy.)—The Americans are camped along the historic Rhine on a front of nearly 60 miles. Their patrols are guarding the left bank.

The Second Division won the race of the main forces to reach the river. The 32nd, First and Third divisions finished in the order named.

The doughboys' campfires were gleaming tonight throughout the valley. They are waiting orders to cross to the east bank, expected tomorrow. American troops are guarding Stolzenfels Castle, which was a summer home of the former kaiser. They are also occupying a score of picturesque towns in the valley.

The advance guards marched into the villages with their bands playing "Over There." Hundreds of doughboys went on a pilgrimage to the river bank immediately after they had broken ranks. Some cheered at the sight of the river.

The four divisions are expected to cross tomorrow, when they will formally occupy Coblenz, Ehrenbreitstein and Astenstein.

The burgomaster of Coblenz has issued a proclamation disbanding the civil guards, instructing all discharged soldiers to discard their uniforms and ordering all public places closed at 9 p. m.

MONTREAL AT MERCY OF LAWLESS ELEMENT

MONTREAL, Que., Dec. 13.—With police and firemen on strike, Montreal today was almost at the mercy of lawless elements. Police headquarters claimed that strikebreakers had replaced half the policemen who walked out, demanding better pay.

Military police aided in trying to maintain order. Volunteers manned some of the fire stations, but more than forty fire houses and police stations were closed for lack of manpower.

Employees of the water department and the garbage disposal plant are also on strike.

Hoodlums ran riot in some parts of the town. One store was looted of goods worth \$35,000. Fire stations were wrecked. Pickpockets reaped a harvest in crowds that gathered to watch fights in the streets. The trade and labor council is trying to arbitrate but has been unsuccessful in getting any agreement on members of the arbitration board.

NAVY UNDERTAKER INDICTED
SEATTLE, Wash., Dec. 13.—James Butterworth, prominent undertaker here, faces 46 counts on an indictment today charging that he undressed dead sailors and the 13th Naval district by overcharging them for caskets and funerals.

The indictment charges he billed relatives for caskets supplied under a contract with the Government. "I'll fight this matter if it takes 7000 years to settle it," Butterworth said today, declaring his innocence. The indictment covered 96 pages.

Land of Lafayette Extends Royal Welcome; Rain Stops, Fog Clears, As 'George Washington' Enters Port

BREST, Dec. 13. (By Government Wireless.)—President Wilson was given a vociferous welcome as he rode through the streets of Brest this afternoon from the pier to the railway station. Once aboard the special train the President left immediately for Paris.

BREST, Dec. 13.—President Wilson stepped ashore on French soil at 3:22 o'clock this afternoon. Mrs. Wilson preceded the President, carrying a small flag. The George Washington dropped anchor at 1:36.

LEAGUE OF NATIONS MUST BE A PART OF PEACE TREATY ITSELF

BY ROBERT J. BENDER
(United Press Staff Correspondent)
(Copyright, 1918, by United Press)
BREST, France, Dec. 13.—President Wilson has arrived in France to exert his whole effort for a "just and lasting peace."

The fundamental contention of the American delegates is that the league of nations must be a part of the treaty itself in order to protect the square deal which the treaty settlement seeks to obtain for all peoples involved.

Without the support which such a league would give to the peace negotiations, the President is understood to feel that American participation in the negotiations is hardly worth while.

GOV. HARDING STRONG FOR UNIVERSAL ARMY TRAINING IN AMERICA

CHICAGO, Dec. 13.—Pacifists today have no place in Americanism, according to Gov. W. L. Harding of Iowa, who in a speech here last night declared universal military training is the great need in the country.

"Don't let mollycoddles and sissyboots run this country," said Harding. "These are only other names for pacifists. We want to be prepared to lick hell out of any enemy, and universal training will fix us up."

YANK BATTLE CRAFT COMING HOME DEC. 23

WASHINGTON, Dec. 13.—Nine or ten dreadnaughts, some destroyers and other craft are due in New York from European waters about December 23. At that time there will be a grand review at New York.

Secretary of the Navy Daniels announced this today. Admiral Mayo will be in command of this returning fleet, which comprises all that can be spared from Europe at this time.

Daniels will go from here to New York in the presidential yacht Mayflower to give the men a rousing welcome.

ENGLISH WOMEN TO VOTE FOR 1ST TIME

BY LOWELL MELLETT
(United Press Staff Correspondent)
LONDON, Dec. 13.—Approximately 6,000,000 women will vote tomorrow at the general elections throughout this United Kingdom.

Never before were women eligible to vote for members of Parliament, though they have participated in elections on local questions for many years. Tomorrow they will help elect members of the new House of Commons. This house will be responsible for the personnel and conduct of Great Britain's peace table plenipotentiaries, will frame the empire's reconstruction program and will control England's foreign policy for the next five years.

The newly enfranchised women comprise nearly one-third of the total electorate of 2,000,000 of the United Kingdom. To this extent they are expected to influence the kingdom's domestic future and the empire's relation to world events.

Thus for the first time in history the women of one of the greatest powers are given an opportunity of participating in world affairs directly. All the women of 30 and over in England, Ire-

land, Scotland and Wales will share this privilege.

The political situation leads many observers to regard the election as the most momentous in England's history.

Bolshevism is an issue. It was thrust forward early in the campaign by the London Evening Star when it said editorially:

"We do not want a class war in this democracy. We want neither reaction nor Bolshevism."

More than 600 candidates were in the field almost from the beginning of the campaign. In some districts there was no contest. Each candidate there was a result of the bayonetting of Zeke Trans, 18-year-old boy, while he was trying to climb a fence at the Liberty Fair early in the week. Trans' physicians say he may live.

President Wilson will be able to talk with American headquarters in Coblenz if he desires. The signal corps last night completed installation of a special telephone line from Brest to Coblenz. It is nearly 1000 miles long—the longest single circuit in Europe.

It runs by way of Chaumont and Treves. In the first conversation over the wire Captain Lawrence, chief signal officer, talked with Operator Helman of New York, stationed in Coblenz. At the conclusion of the test Helman asked the captain to "give my regards to Broadway."

Later Major Blanck at Brest talked with headquarters of the Third army at Coblenz.

The new circuit is part of the great American system which now totals more than 215,000 kilometers (133,315 miles). It includes a direct wire from American main headquarters at Chaumont to London.

As the liner completed her historic voyage, a launch bearing the official welcoming party shot alongside. In it were Col. House, Gen. Bliss, Gen. Pershing, Admiral Benson, Admiral Wilson and the President's daughter, Miss Margaret.

They remained aboard until the President and his personal party came ashore.

The President and Mrs. Wilson left the George Washington in a tug flying the presidential flag. As they neared the landing slip the warships and shore batteries fired a salute of 21 guns, and a band struck up "The Star Spangled Banner." The brilliant sunlight brought the huge replica of the Statue of Liberty in the city into sharp relief and turned the flags and bunting into a riot of color.

The hills rising from the waterfront were crowded with Breton women and girls in their quaint native costumes.

The official reception committee on shore was headed by Mayor Hervagault. The mayor in welcoming President Wilson saluted him as "the messenger of justice and peace."

"You bring to tormented Europe the comfort of your authoritative voice in the debates which will end our quarrels," he said.

Included in the reception committee were Foreign Minister Pinchon, Marine Minister Legues and Andre Tardieu, commission of Franco-American relations.

Eight canteen workers presented Mrs. Wilson with a bouquet as she stepped on the pier. They were the only women participating in the ceremonies.

The President responded to the cheers and hand waving of sailors and doughboys as he entered the automobile that bore him to the station.

The road from the pier to the station, which wound along a hill, was lined with soldiers, including a company of French poilus as a special guard of honor. Groups of school children waved flags and sang the national songs of France and America.

Doughboys' and sailors' movie operators, recruited from the signal corps, swarmed about the President as he landed from the tug, filmed him as he passed through the streets and took parting shots of him as the train pulled out for Paris.

LONDON, Dec. 13.—The U. S. S. George Washington, bearing President Wilson and his official party, passed over the grave of the Lusitania, southwest of Ireland, late yesterday. Many ships from Queenstown met and saluted the big liner.

BY ROBERT J. BENDER
(United Press Staff Correspondent)
ABOARD THE U. S. S. GEORGE WASHINGTON, Dec. 13. (By Wireless to the United Press via London.)—President Wilson arose early today and the ship's wireless immediately got busy in handling messages to and from the United States.

The President attended a musical comedy given by members of the crew last night. He was photographed by them. He announced today he "is feeling fine."

W. S. S.—

PIEZ IS MADE HEAD OF EMERGENCY FLEET CORP.

WASHINGTON, Dec. 13.—Charles Piez was elected director general of the emergency fleet corporation Wednesday to succeed Charles M. Schwab, resigned, it was officially announced. Piez was formerly vice-president and general manager under Schwab.

GUARDSMAN IS ARRESTED

LOS ANGELES, Dec. 13.—Private M. B. Young, California National Guard, was under arrest here today charged with assault with a deadly weapon.

COUNTRY CLUB TO RESUME SOCIAL ACTIVITIES

Directors Appoint Entertainment Committee to Organize Series Programs

Resumption of pre-war activities and gayeties at the Orange County Country Club will start with the new year. The directors of the organization met last night and appointed an entertainment committee consisting of J. C. Metzgar, chairman; J. P. Hatzfeld, Edward McWilliams and W. H. Spurgeon and their wives, and a series of dances and card parties will be arranged for to commence after the new year.

A weekly ball sweepstake was arranged by the directors to be pulled off every Saturday afternoon, commencing tomorrow.

The club has increased its membership and is in a flourishing condition and to further interest the members the series of entertainments and sweepstakes have been arranged.

The club was full of life before the war, but like other organizations, it gave precedence to the war and reduced its activities. Many of the members were called to the ranks.

The golf grounds and the club house are all in fine condition as they have been maintained at standard during the quiet months so that they might be in shape for resumption of the pleasures afforded when the time came for getting back to the old stride.

An assessment levied recently has cleared the organization of debt and it is now in better position than ever to offer to its members all the facilities for enjoying themselves in healthful and pleasurable recreation.

SPANISH INFLUENZA

Do Not Fear When Fighting a German or a Germ!

By Dr. M. COOK.

The cool fighter always wins and so there is no need to become panic-stricken. Avoid fear and crowds. Exercise in the fresh air and practice the three C's: A Clean Mouth, a Clean Skin and Clean Bowels. To carry off the poisons that accumulate within the body and to ward off an attack of the influenza bacillus, take a good liver regulator to move the bowels. Such a one is made up of May-apple, leaves of aloë, root of jalap, and is to be had at any drug store, and called "Pleasant Purgative Pellets."

If a bad cold develops, go to bed, wrap up well, drink freely of hot lemonade and take a hot mustard foot-bath. Have the bedroom warm but well ventilated. Obtain at the nearest drug store "Anuric Tablets" to flush the kidneys and control the pains and aches. Take an "Anuric" tablet every two hours, together with copious drinks of lemonade. If a true case of influenza, the food should be simple, such as broths, milk, buttermilk and ice-cream; but it is important that food be given regularly in order to keep up patient's strength and vitality. After the acute attack has passed, which is generally from three to seven days, the system should be built up by the use of a good iron tonic, such as "Irontic" tablets, to be obtained at some drug stores, or that well known blood-maker and herbal tonic made from roots and barks of forest trees—sold everywhere as Dr. Pierce's Golden Medical Discovery.

LETTER FOR SANTA CLAUS

Dear, Good Santa Claus:

Kind Sir: In these busy and eventful days grown-up people almost forget that Christmas is near. With us boys it is just the opposite. Peace and victory are very well, but they don't fill a fellow's pockets. Only dear Santa thinks of that. Now we come to remind you to be as generous as possible and send us a small donation. With many good wishes, we remain, the grateful boys of St. Catherine's, Anaheim.

TALBERT

HARRY HARPER WAS DRIVING WAR TANK

Epworth League Reorganized and Officers Elected; Juniors Adopt French Orphan

(Miss Lesora Blakey, Correspondent)

TALBERT, Dec. 12.—A letter dated Oct. 29th was received Friday from Harry Harper by relatives. He was all "O. K." at the time and "was a private no longer," he said, having been promoted from the position of mechanic on the tank corps to that of tank driver. The family are now anxiously awaiting a letter telling of his safety following the close of fighting.

Mr. and Mrs. Harold Bullock moved to their ranch at Lancaster last Thursday. They have resided here two years and their neighbors are loath to part with them. No one is on the place vacated by them as yet.

Mrs. Patterson Little Improved.

Mrs. J. O. Harper heard Saturday from her daughter-in-law, Mrs. Maybelle Harper, who is at Puyallup, Wash., in which she stated her mother Mrs. Lena Patterson, who is with her there, continued very ill, having improved but little since the beginning of her illness. Previous word had been received several days before telling of her having contracted influenza. She was taken ill Thanksgiving morning and it is thought she contracted the disease when they attended a show just after the ban was lifted. Mrs. Maybelle Harper had not taken it at the time of writing and was taking all precautions possible, she said.

The Epworth League society of the local M. E. church, South, was re-organized last Sunday evening preparatory for the work of this conference year. "The Leaders of Israel" is the book of study chosen to take up in connection with the work and an interesting program was planned. The election of officers was also held during the evening with Miss Dorothy Helen, president; Claire Wardlow, vice-president; Miss Mildred Swift, secretary and treasurer; Miss Dorothy Helen, pianist; Miss Mabel Lee Woodson, reporter. The League hour is from 6:30 to 7:30 each Sunday evening. Miss Kathleen Helen will be the leader for next Sunday.

Mrs. S. E. Talbert drove to San Pedro Tuesday afternoon and was accompanied home by her sister and husband, Mr. and Mrs. J. E. Pettitt who came up on a short business trip. The Pettitts were supper guests at the Talbert home and returned to San Pedro that night.

U. H. Plavan finished moving his stock and farming implements from the Newland ranch this week.

Ben Brown was a guest from Sunday until Tuesday at S. E. Talbert's. He is convalescing from a light attack of influenza, and came directly here from the Camp Kearny hospital, having been released Sunday morning.

Plans are being made for a Christmas tree at the local M. E. church during the holidays.

Mrs. R. B. Wardlow and daughter Miss Nellie, of Santa Ana, were visitors at the homes of Robt. and Roy Wardlow prior to leaving Thursday for San Francisco to visit their son brother, Le Roy Wardlow, who is in the navy. The ladies stopped over at Tulare and were accompanied on their trip by Mrs. Henderson Cheney. Le Roy was to have been transferred from Goat Island where he has been stationed to Mire Island and the mother and sister wished to go previous to his transfer.

Mr. and Mrs. Arnold Walker and Mr. and Mrs. Robt. Wardlow drove to Los Angeles, Tuesday, to attend the fair and returned home Wednesday. The Wardlow children remained with their grandmother, Mrs. A. F. Swift during their parents' absence.

Mrs. Barney Stoffel and Miss Della Giesler spent Tuesday in Los Angeles.

Robt. Harper purchased a new Chevrolet machine through the Santa Ana agency last Saturday. On Sunday he and Mrs. Harper drove to Long Beach to try it out.

Ruth Harper enjoyed a couple of days' visit the latter part of the week

LEMON JUICE WHITENS SKIN

Girls! Make beauty lotion at home for few cents

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best bleaching and skin whitening lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how tan, redness, sallowness, sunburn and windburn disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless.—Adv.

Company building. Koepsel has made an excellent record. He and Eden will make a strong firm of attorneys.

District Attorney L. A. West announced today that following Koepsel's withdrawal from the deputyship, West would appoint Attorney Alex P. Nelson of Huntington Beach to the position. Nelson has been city attorney of Huntington Beach for some time.

TURN DOLLARS TO THE RED CROSS NEXT WEEK

Christmas Roll Call Drive for
Membership Should Bring
15,000 Members

Every shoulder to the wheel—and Santa Ana will slide into the 100 per cent perfect column in membership in the Red Cross during the drive which starts next Monday. The work of the organization in behalf of suffering humanity is known to everyone and there should be no occasion for special pleadings for this magnificent institution. It is everybody's duty to join. Every man or woman with a family of children should see that all are classed as members. One dollar each will be all that it will require—and every dollar will be a big "cartwheel" started on its journey to the relief of some poor suffering human being, and may be one of the gallant boys in khaki.

No one knows better the full activity and value of the Red Cross than the men who have bared their breasts to Hun bullets in the struggle for dem-

ocracy overseas and there are none but who advise their relatives and friends to give the organization every support.

Angels of Mercy, as represented by the Red Cross, have flitted here and there rendering aid to those suffering from disease, from wounds in battle and from hunger and cold incident to being driven from their homes by the enemy. American dollars have helped in alleviating the suffering of thousands. There are more to whom assistance must be rendered.

One hundred and twenty women will start the canvassing campaign in this city early Monday morning. The city has been divided into districts, the precinct formation being adopted for the purposes of the canvass. When a solicitor calls at the door, it should not be necessary for her to tell what she is there for, or to plead for a membership for every member of the family—everyone should be prepared to take a membership and have the dollar at hand to close the transaction at once and as quickly as possible. The women will have many calls to make during the day—make it as easy for them as possible.

Precinct captains appointed by Assistant Drive Chairman Dr. Peryl Magill are urged not to fail to call at the Chamber of Commerce rooms tomorrow afternoon to secure final instructions and materials for the canvass. Chairman Riggs will be there all afternoon to pass out the supplies.

'WET' PETITION ASKS SPECIAL ELECTION AT NEWPORT BCH.

Belief Is That Wholesale Li-
quor House and Cafe Li-
cense Will Be Sought

There is a possibility that the sale of liquor may again be legalized in the city of Newport Beach, according to a message from the beach city today.

A petition, signed by ninety-two residents of the municipality, was presented to City Clerk J. Royal Lemon this week, asking that a special election to vote on the proposition be called, and Lemon is now checking up the names in preparation for presenting the petition to the city council at an early meeting.

The general belief at the beach city is reported to be that a wholesale liquor license and a cafe liquor license will be sought through the proposed election, but no saloons.

P. E. TRAINMEN UNDER PAID, 'TIS ALLEGED

LOS ANGELES, Dec. 13.—Alleging trainmen in the employ of the Pacific Electric railway are underpaid and that the company has discriminated against union men, J. A. Farquharson, of the Trainmen's Brotherhood and a committee of Pacific Electric employees has asked the war labor board for an immediate hearing, it became known today.

WITHHELD AID TO CHINA.
LONDON, Dec. 13.—An official despatch from Tientsin today stated Japan has decided to withhold financial aid from China.

HAROLD NELSON SHOT THROUGH THE LUNGS

Santa Ana Man Now at Hos-
pital at Richland,
Virginia

Sergt. Harold Nelson, who was wounded in action in France on Sept. 28, has been returned to the United States and has been in a hospital at Richland, Va., since the first of this month. He was more seriously wounded than he admitted in a letter to Mrs. Nelson received shortly after he was wounded. At that time he advised that he had been slightly wounded in the back.

In a letter received by Mrs. Nelson yesterday he told her of being at the hospital and that he had been shot through the lungs. He did not state whether through one of both, further than the use of the plural in describing his injuries.

Army surgeons say that it will be necessary for him to undergo an operation, but he is very much opposed to it, and declares he will not permit it as long as he is able to know what is going on.

He writes in a cheerful strain and says that he eats and sleeps well and is feeling fine. It is believed, however, that he is withholding his true condition in order not to alarm his relatives.

He asks regarding Santa Ana boys who were in the battle with him and wonders whether they got through all right or not, and said that if any of them got out alive they were lucky, for they were in some of the hardest fighting.

INVESTIGATE DEATH OF SIX.

CLEVELAND, O., Dec. 13.—County officials today were investigating an automobile accident here which last night resulted in the death of six persons and the injury of two others.

Harry R. Anderson, United States sailor, registered at a hotel here from Chicago, and J. L. Bell, United States marine, Dallas, Texas, were among the dead.

The six persons killed were in a large automobile which collided with a street car, derailing it, and then smashed into a second automobile, the two occupants of which were injured.

ALLEGED UNFAIR COMPETITION BY NATIONAL BRIDGE CO.

WASHINGTON, Dec. 13.—The National Bridge Company of Indianapolis today was cited by the Federal Trade Commission to appear to answer complaints concerning its business methods. The commission declared it "has reason to believe the concern is using unfair methods of competition in securing trade."

The complaint was issued by the commission "in the interests of the public."

The concern holds forty-eight patents on concrete bridge construction.

Where is my soldier boy tonight?—Ask the American Red Cross.

FORMAL ACTION JOINING BANKS TO BE TAKEN TOMORROW

Stockholders Evidently Unan-
imously Favor the Plan
Outlined

Formal action consolidating the First National Bank and the Farmers & Merchants' National Bank, and the two savings banks connected with them, will be taken at meetings of stockholders of the banks tomorrow afternoon at 2 o'clock.

Proxies have been sent in by a large percentage of the stockholders, and it is certain that there will be no hitch in the plans for joining the two big financial institutions into one that will take rank as one of the strongest in Southern California outside of Los Angeles. The consolidation seems to have the unanimous approval of all stockholders.

The stockholders of each bank will meet separately, and the formal actions for consolidation will probably not take more than an hour. Consolidation will be effective on January 1, 1919. The two commercial banks will be operated as one consolidated bank to be known as the First National Bank, in the building at the northwest corner of Fourth and Main streets, and the two savings banks, the Santa Ana and the Home, will be one savings bank to be operated in the building at the southwest corner of Fourth and Main streets, now occupied by the Farmers & Merchants' National Bank. The savings bank will be named the Farmers & Merchants' Savings Bank.

HURWITZ SELLS 'EM FOR LESS

Maybe you noticed the price quoted in the Santa Ana Clothing Company's (Sam Hurwitz, proprietor) advertisement last night of Buckhecht shoes, it was \$7. That was wrong. No, it was not Sam's mistake, nor the Register's. That's the price (\$7) of those shoes everywhere except in Santa Ana. And as the copy for this ad was prepared by a San Francisco advertising agency the price quoted was the same as that quoted in other towns, instead of Hurwitz's lower price, \$6.50. See the corrected ad in today's paper.

W. S. S.

ELRO, Nev., Dec. 13.—Attorney Carey Van Fleet, son of Judge Van Fleet, San Francisco, who was indicted by the grand jury on three counts charging subornation of perjury, has been held to appear before the next grand jury. Bail was fixed at \$10,000.

Judge Taber of the district court dismissed the indictment, finding it faulty. It was the outcome of a grand jury investigation into Elko county affairs.

VERNON FRENCH, 21, SHOT AND KILLED NEAR VISALIA

VISALIA, Dec. 13.—Following a dispute over fifty cents, Tom Luttrell, the owner of the Sequoia National Park Transportation Company's lines, shot and possibly fatally injured T. E. French, an employee, at the company's offices in Lemon Cove in the Sierra foothills east of here. French was taken to a local hospital and Luttrell was lodged in the county jail to await the outcome of French's injuries. Physicians say French was shot in the back.

French a Fullerton Boy
FULLERTON, Dec. 13.—The body of Vernon French, aged 21, who was shot by Tom Luttrell at Visalia on Tuesday, arrived in Fullerton today and the funeral services will be held here Saturday afternoon at 2:30 o'clock. The young man was shot three times in the back and fatally injured, dying later at the Visalia hospital. Thirty people witnessed the shooting, according to word received here. Luttrell was known as a bully and was seen to flourish a revolver during his conversation with French. French invited him to settle their differences in a manly fashion, and was walking away when Luttrell fired.

French was raised at Fullerton and graduated from the schools here. He was the son of C. M. French, principal of the Orangethorpe school.

THE GRAND JURY

The grand jury is an ancient and honorable institution, with a usefulness that varies considerably in accordance with the inclinations of the grand jurors and the laws under which they operate.

Here in California, the grand jury has been looked upon often as a kind of an obsolete affair, a relic that was handed down from the Dark Ages or foisted upon California by law-makers who had not yet been able to forget the way they did things "back East." There have been so many grand juries that did nothing, so many grand jury investigations that got nowhere, so many sarcastic things said about how little a grand jury recommendation amounts to, that a good many people have begun to look upon a grand jury as something to be endured rather than as a useful, competent body.

Orange County has been fortunate in having uniformly good grand juries, composed of conscientious, honest citizens, willing to meet whatever responsibilities were placed upon them. They have studied the county government as best they could and have brought forth many recommendations of value. Coming fresh from the farms and business houses of the county, they have sometimes been able to point out to officials where the business of the county had gotten into a rut. However, a rut once discovered remains a rut if everyone merely admits that it is a rut and nobody does anything about filling it up. That a grand jury might easily be of no consequence was recognized by the nineteen men who are members of our present grand jury. Looking over reports of former grand juries, they found that many recommendations had come to naught. Some of the grand juries had accomplished a good deal, but more of them had made many recommendations that brought no results at all. Some of the objectionable conditions found today have been discussed upon by a number of former grand juries.

For instance, nearly every grand jury for ten years past has solemnly pointed out that the bridges of the Pacific Electric are a menace to the surrounding country, because they are so constructed that they catch debris and act as dams, in time of flood, sometimes turning the stream out of the channel. Nothing has ever been done about it. The P. E. bridges are just as much of a menace now as they have been found to be year after year since a grand jury first selected these bridges as a subject for comment.

The members of the present grand jury, good citizens all, desired that their efforts should count for something. Since they were to be paid only \$2 a day each for their services, since they were giving up time that was demanded by their own business affairs in order to go through the motions of being on the grand jury, they naturally felt a chagrin creeping upon them when they realized how little a grand jury recommendation could amount to.

Fortunately they have hit upon a plan that ought to bring results. The grand jury adjourned until the middle of February, at which time it will again convene and go over its report submitted yesterday in the superior court. It proposes to bring obstinate and careless individuals and representatives of certain corporations before it and ask them questions that can be summed up in that one word "Why?"

Already the grand jury has secured results in a number of instances. It has called certain school trustees before it and has asked why new school houses had not been built, why grounds were unkempt, why insanitary conditions were allowed to continue. The answers have been something like this: "You are right, and all we've got to say is that we just haven't done it, but we'll get busy."

We are finding that the grand jury is well worth while. Any grand jury is well worth while if for no other purpose than to serve the purpose that is served by the strap that is kept in some closets, a strap that the recalcitrant boy knows is there ready for use. But especially is a grand jury worth while when it sets out to get immediate results, as our present grand jury has been getting, and will doubtless continue to get.

HAVE YOU REDEEMED YOUR THRIFT STAMPS?

This is the question that is being asked by the National War Savings Committee of California (South) in the renewed campaign to put Southern California over the top in her War Savings quota.

State Director G. A. Davidson, in urging that all Thrift Stamps be exchanged for War Savings Stamps before December 31, points out that unless this is done, the War Savings Stamps will not be redeemable until January 1, 1924. If they are exchanged at once for 1918 War Savings Stamps, the five dollar maturity value will be collectable January 1, 1923, or a year earlier.

Thrift stamps bear no interest and money invested in them should be turned into interest bearing War Savings Stamps as soon as possible.

It is estimated that 200,000 Thrift Cards are out in Southern California. If all of these are filled and turned in for the big stamps, it will mean one million dollars, maturity value, for the War Savings Committee to place against the nine million dollars deficit which faced Southern California at the beginning of this campaign.

Fifty thousand of these Thrift Cards are in the hands of the school children, and now that school is reopened and the various War Savings activities are in full swing again, it is expected that these will soon be filled. Teachers and parents are urged by Mr. Davidson to make every effort to see that this is done, both to aid the Government and to give the children the interest which their savings can earn as soon as possible.

FOR SALE—Thoroughbred Boston bull terrier pups. \$10 for male; \$5 for female. Phone Tustin 141-J, corner First and D Streets.

SCHOOL BOND ELECTION NOTICE.
Notice is hereby given to the qualified electors of Newport School district of the County of Orange, State of California, that in accordance with the provisions of the Political Code of the State of California, an election will be held on the 11th day of January, 1919, at the Public School Building in said district, between the hours of eight o'clock a. m. and six o'clock p. m., during which period and between which hours the polls shall remain open, at which election the question of issuing and selling bonds of said district to the amount of Ten Thousand Dollars, for the purpose of raising money for building or repairing school buildings, for supplying school buildings with furniture or necessary apparatus and for improving school grounds, will be voted upon.

The said bonds hereunder to be issued and sold, shall be of the denomination of One Thousand Dollars each, and shall bear interest at the rate of six per cent. per annum, interest payable semi-annually at the County Treasury, and shall be numbered from 1 to 10 consecutively, payable as follows:

Bond No. 1, One Thousand Dollars, to run one year.
Bond No. 2, One Thousand Dollars, to run two years.
Bond No. 3, One Thousand Dollars, to run three years.
Bond No. 4, One Thousand Dollars, to run four years.
Bond No. 5, One Thousand Dollars, to run five years.
Bond No. 6, One Thousand Dollars, to run six years.
Bond No. 7, One Thousand Dollars, to run seven years.
Bond No. 8, One Thousand Dollars, to run eight years.
Bond No. 9, One Thousand Dollars, to run nine years.
Bond No. 10, One Thousand Dollars, to run ten years.

That R. W. McClain will act as Inspector and H. L. Wakeham and R. L. Tedford will act as Judges of said Election, and conduct the same, said Inspector and Judges being competent and qualified electors of said School District.

In witness thereof, we have hereunto set our hands this 5th day of December, 1918.

D. A. BEAR,
E. M. REDMOND,
STEPHEN CRIST,
Trustees of Newport School District, Orange County, California.

TO WHOM IT MAY CONCERN
Notice is hereby given that the Germania Fire Insurance Company of the City and State of New York, issued to California Land Company, who was its duly authorized agent at Santa Ana, California, blank fire policies Nos. 110176 to 110200 inclusive, and that said fire policies have been either lost or stolen. Therefore, if said blank fire policies have been fraudulently issued, they are void and of no effect, and in the event of any claim for loss being made thereunder, same will be legally resisted by said company.

If parties should hold the above numbered documents, or know of their whereabouts, they should immediately send or report same to Chapman & Nauman Co., State Agents, 358 Pine Street, San Francisco, California, or Charles H. Coates, Manager Germania Fire Insurance Company of New York, Western Department, Chicago, Illinois.

No. 9943

ECONOMICS MEETING

Second Section Class Hears
Program Wartime Poetry,
Receives New Members

The Second Section Economics class met on Thursday afternoon at 820 Spurgeon street. The members were cordially greeted by the three hostesses, Mrs. Wm. E. Otis, Mrs. Geo. Briggs and Mrs. J. N. Bartholomew.

Several new members were in attendance, and an enjoyable afternoon as well as a busy one quickly passed.

The program was in charge of Miss Beulah May, and consisted of wartime poetry, humor and pathos, charmingly presented.

The section voted to take charge of the luncheon on Monday next for the Red Cross.

The needlework for the afternoon was furnished by the Red Cross Shop, and willing hands accomplished a satisfactory amount of sewing. Tea and wafers were served before adjournment.

—O—
McKinley P.T. A. Meets

The McKinley P.T. A. held a very interesting meeting yesterday afternoon, seventeen members being present.

After the business meeting, a program was rendered, the music and dances being greatly enjoyed.

The ladies sewed on Junior Red Cross work during the afternoon and \$50 was reported in the treasury.

The McKinley school children have adopted a French orphan.

Mrs. Barnes wishes the kindergarten children to call at the building Monday morning to get the things they have made for Christmas.

Forty In Attendance Yesterday
When Very Enjoyable
Program Was Rendered

Forty were in attendance yesterday afternoon for an enjoyable meeting of the Spurgeon School Parent-Teacher Association. Following the reading of the minutes and the singing of "The Star Spangled Banner," a group of children have the shoemaker's dance.

Subjects of interest were the reading of three objects as the purposes of a Parent-Teacher Association, suggestions in regard to the lack of reverence in the American child, and good nature in the home.

Miss Watson gave an inspiring talk on "The Fatherless Children of France" and the P.T. A. adopted an orphan.

During a social hour the first grade children served light refreshments.

where physicians had not been called. The Orange city council last night decided not to put a ban on that city at present. The city health board is holding a session this afternoon to discuss the situation.

Precinct captains who worked under Horace Fine in the June drive for pledges for War Savings Stamps are urged not to forget the meeting to be held this evening at the Chamber of Commerce rooms at 7:30 o'clock.

Miss Hazel Bemus has received 200 more French orphan postcards, which can be obtained at her home, 725 South Main street.

Oscar Caruthers, of South Main street, has returned home, having been given his discharge from the navy. He has been stationed at Brooklyn.

Chas. Martin is home from Ft. Monroe, Virginia, where he was discharged from the artillery officers' school on December 2. He did not complete the course and did not get a commission. He was in the service of the national food administration when he enlisted and went to Ft. Washington, Maryland, going from the latter place to the officers' school. Martin took a law course and graduated at Columbia university just before taking up war work. He will spend the summer here with his parents, Mr. and Mrs. E. C. Martin.

Captivated by Southern California climate and particularly impressed with the wonderful resources of Orange county, Lieut. R. M. Myers of Topeka, Kansas, has decided to take up a permanent residence in this vicinity. He is now visiting his parents, Mr. and Mrs. H. Myers, at Orange. Lieut. Myers has been at March Field, Riverside, where he has been learning the rudiments of navigating the air. He has been at Orange for some time recovering from influenza and now that he is able to get out and see the country he has decided that this is the place for him. Before taking up aviation he was instructor and had charge of the farming school at Washington College at Topeka.

C. H. Willoughby, who has been engaged in marble and granite work in this city for the past eight years, is going to open up a yard of his own, and has secured a lease on a lot on East Fourth street near the P. E. freight yard and will open about the first of the year. He will put in a modern plant with pneumatic tools for handling the most delicate of headstones, markers and tombstones. He has been operating the Western Marble & Granite Works on North Main street for the past six months under a lease and during that time has brought two families from the East, the heads of which took work at the works. They are E. C. Townner of Cleveland, Ohio, and M. Ward, who came here from Kentucky. These gentlemen will go with him when he opens up his new plant.

Mordaunt Heil of Bolsa, who nine weeks ago today was run over by his catapillar and has been confined to his bed on his back ever since, has been taken back to the hospital next week to undergo an operation, as the bone failed to knit. However he is not now in pain.

Gifts Boys Like
Sweaters, Bath Robes, Shirts,
Soldier Outfits, Suits and Overcoats
Even the smallest boy can be relied upon "nine times out of ten" to show good judgment in the things he really wants for Christmas.
From the busy activity of this Boys' Store it would seem that more than ever boys, little and big, have somehow let it be known that clothes will be a happy solution of the Christmas question as it may concern them this year.
And here are gift selections of things wearable from which the sensible gift may be chosen to the best advantage.
A Sweater for Christmas
Where is there a boy who doesn't need a sweater? It is almost a necessity in our climate.
Here you will find "ruff-neck" styles in the popular colors at \$1.75, \$2.00, \$3.50, \$5.00, \$8.50.
Slip-on Sweaters at \$3.50 and \$4.50.
Military, sleeveless styles at \$1.75.
Jersey V-neck styles at \$3.50.
Same with roll neck at \$2.00 and \$3.50.
Boys' Blanket Bath Robes
Pleasant patterns are shown in this assortment of blanket cloth bath robes. Ages 6 to 10 at \$4.75; 12 to 18 at \$5.50.
Youths' and Boys' Shirts \$1.50
A variety of new striped patterns shown in very attractive colors; dependable qualities. All have soft cuffs and are fine fitting. Sizes 12 to 14 inch neck bands.
Boys' Silk Neckwear in extensive assortments and colorings at 25c and 50c.
Boys' Kaynee Blouses in new light stripes as well as plain white, \$1.00, \$1.35.
Boys' Complete Soldier Outfits \$6.50
Made of serviceable materials in khaki color, with cap, puttees and Sam Browne belt to match. Sizes from 4 years to 16 years.
Boys' Winter Suits at \$11.50
This is a special selling which provides an opportunity for all who would play Santa Claus in a really helpful sort of way.
These winter suits are of excellent mixtures, well made in every particular and in several styles, every one of which is of the season's favored. All sizes from 7 to 18 years. \$11.50.

Vandermast & Son
BOYS' CLOTHIERS.

ness, they asked for each other often. Lester's mother died when he was a babe of seven months. He was the son of John Nimmo, a pioneer of Santa Ana, who died later in Anielope valley.
After his mother's death, his uncle and aunt, Mr. and Mrs. B. F. Nimmo, of Santa Ana, cared for him. His aunt died when he was five years old. After that his uncle cared for him until 1906, when he died. His uncle was father and mother to him for ten years. Since 1906 B. F. Nimmo, Jr., looked after him and was his adviser.
The last year Lester farmed for himself near Newport and did wonderfully well. His frank ways and sterling character have won him many friends.
The many friends of the two boys and relatives feel they have lost something more precious than gold. Their bodies were laid to rest side by side in the Nimmo plot at Fairhaven cemetery.

NEWS IN BRIEF FORM
The board of directors of the M. and M. met this morning and made recommendations that business houses be kept open on the nights of Monday and Tuesday, Dec. 23 and 24, for Christmas business. The stores are open Saturday nights and this will give three evenings for the purchase of Christmas goods.
The following letters remain unclaimed in the post office at Santa Ana, Cal., for the week ending December 14, 1918: Y. Balderas (2), Vicente Moreno, Ramon Montejano, Elenorio, Cruz Sanchez. If not called for in two weeks the above letters will be sent to the Dead Letter Office. When calling for the above, please say "advertised" and give date.
Tom McFadden telegraphs from New York that he is returning to his home in Placentia, his services as physical instructor for the Y. M. C. A. in France having been found to be unnecessary on account of cessation of hostilities. Tom made preparations last month to go to France, and resigned as director of the water company. With him coming west are a number of other men who were called as physical instructors to the Y. M. C. A. These young men responded promptly to the call, and now that they are returning home will be welcomed back and will receive commensurate praise for their patriotism.—Anaheim Gazette.
The high school library will be open from 10 a. m. to 12 next Tuesday, December 17, for students to return books and get others if desired. This will be the only day before Christmas that the school library will be open, previous plans for keeping it open every day having been cancelled.
Rev. Edward Lee of Pasadena came down yesterday to attend the funeral of Mrs. Martin Hayes, held in the afternoon at the Mills and Winbiger chapel, and returned home today, accompanied by his daughter, Mrs. Erma Hayes, who has been here for a week.
Senders of Christmas packages are advised not to place stickers over the strings or folds of the package, as this manner of sealing places them under the first-class postage rates. Use the stickers on other parts of the package.
G. W. Purkey and family today moved to Orange and will reside on North Olive street.
Lieut. Harold H. Coyle, who has arrived home at Fullerton from the officers' training school at Fort Monroe, says he is home for good. It is expected he will soon return to his law practice there.
Emmett D. Welin, son of Mr. and Mrs. J. E. Welin, of Glinda, has received his honorable discharge from the officers' training school at Fort McArthur, Waco, Texas, returning home Saturday.
Mr. and Mrs. G. M. Simpson of Anaheim received word Tuesday from their son Earle, from Grimalda, Italy. He is well and sound, and says that he will come home just as soon as he can get here. He had been in the trenches and got a ten-day furlough just before the armistice was signed. He is now on a pleasure trip over the Alps.
Sam Lavine, chief cook attached to General Pershing's headquarters staff, in a letter dated Nov. 12, describes the celebration over the signing of the armistice. H. Simons, of the Auto Wrecking Company of Anaheim, expects Lavine to return soon to rejoin him in business here at an early date.
There will be a stockholders' meeting of the Anaheim Walnut Growers' Association at 2 p. m. Saturday. Manager Geo. M. Ross will submit his report for the season's business and distribute growers' statements with check for balance due except for a small reserve to come later.
J. Sebastian, who expected to be mustered out of service at Camp Lewis and to return to Anaheim December 10 to re-enter business in Sebastian Bros' store, is ill with influenza.
Albert G-sham, Anaheim furniture dealer, and Mrs. Graham, were both stricken with pneumonia and are in the Fullerton hospital.
His rig smashed into by one automobile and his horse killed by another was the hard luck that befell F. Flores, Mexican, of this city, last evening near the county hospital. M. R. Shipley, of this city, ran into the buggy, which he claims displayed no light. The horse ran away, throwing Flores out and he sustained injuries about the head. He was attended to at the county hospital. His horse had run but a short distance when it was struck and killed by an automobile. The identity of the owner and driver of which could not be ascertained. The machine went into the ditch after striking the horse, and one of the occupants was slightly hurt.
Thirty-eight new cases of "flu" were placed under quarantine in twenty-two houses and thirty-five cases were released in fourteen houses in the past twenty-four hours. There were no deaths in Santa Ana but a 12-year-old Mexican lad from Santa Ana died at the county hospital this morning. His name was Frank Allopez. He was taken to the institution Wednesday suffering from double pneumonia. Deputy Health Officer Chandler says that the increase in the list of new cases today was due to the observance of warnings issued in the Register last evening. A number of quarantines were made

where physicians had not been called. The Orange city council last night decided not to put a ban on that city at present. The city health board is holding a session this afternoon to discuss the situation.

Precinct captains who worked under Horace Fine in the June drive for pledges for War Savings Stamps are urged not to forget the meeting to be held this evening at the Chamber of Commerce rooms at 7:30 o'clock.

Miss Hazel Bemus has received 200 more French orphan postcards, which can be obtained at her home, 725 South Main street.

Oscar Caruthers, of South Main street, has returned home, having been given his discharge from the navy. He has been stationed at Brooklyn.

Chas. Martin is home from Ft. Monroe, Virginia, where he was discharged from the artillery officers' school on December 2. He did not complete the course and did not get a commission. He was in the service of the national food administration when he enlisted and went to Ft. Washington, Maryland, going from the latter place to the officers' school. Martin took a law course and graduated at Columbia university just before taking up war work. He will spend the summer here with his parents, Mr. and Mrs. E. C. Martin.

Captivated by Southern California climate and particularly impressed with the wonderful resources of Orange county, Lieut. R. M. Myers of Topeka, Kansas, has decided to take up a permanent residence in this vicinity. He is now visiting his parents, Mr. and Mrs. H. Myers, at Orange. Lieut. Myers has been at March Field, Riverside, where he has been learning the rudiments of navigating the air. He has been at Orange for some time recovering from influenza and now that he is able to get out and see the country he has decided that this is the place for him. He has been operating the Western Marble & Granite Works on North Main street for the past six months under a lease and during that time has brought two families from the East, the heads of which took work at the works. They are E. C. Townner of Cleveland, Ohio, and M. Ward, who came here from Kentucky. These gentlemen will go with him when he opens up his new plant.

Mordaunt Heil of Bolsa, who nine weeks ago today was run over by his catapillar and has been confined to his bed on his back ever since, has been taken back to the hospital next week to undergo an operation, as the bone failed to knit. However he is not now in pain.

IS IN HOSPITAL BUT REPORTED AS MISSING

Lorenz Ahlf Suffers From
Rheumatism; Two Other
County Men Listed Today

Sergeant Lorenz L. Ahlf of Newport Beach is officially reported in today's casualty list as missing in action. A recent official telegram stated he was missing in action since October 3. That this report is in error is indicated by two letters recently received from the soldier by his brother, Earl Ahlf, of Newport, and dated

COREGA HOLDS FALSE TEETH FIRMLY IN MOUTH Prevents Sore Gums

Gums shrink or swell and plates become loose, which is no fault of the dentist. An application of COREGA sifted evenly on the dental plate relieves these conditions. It holds the plate firmly and comfortably in position. Also promotes mouth hygiene. At drug stores and dental supply houses. Your druggist can get it from his wholesaler. Free sample from Corega Chemical Co., Cleveland, Ohio.

Lieut. Maurice Enderle Is Again Reported as Wounded

Severely on Nov. 2, Says Wire
to His Father on Yorba
Street

Lieut. Maurice Enderle

Lieut. Enderle of Santa Ana was wounded severely on Nov. 2. Word to that effect came in a telegram received this morning by the lieutenant's father, Herman Enderle, orchardist on Yorba street.

This is the second time that Lieut. Enderle received wounds in battle. The first was on Sept. 26 after fighting for a day and a half in the opening smash of the Camp Lewis division into the Huns in the Argonne Forest.

On Sept. 26 Lieut. Enderle was taken to a hospital, and it was not until Oct. 31 that he was ready to leave after recovering from his injuries, which consisted of a bullet wound in the left elbow and three shrapnel wounds in the left side.

The letter received here from the lieutenant was dated Oct. 31, and in it he stated that he would join his company, Co. E, 362nd Infantry, on Nov. 2, in which he was a first lieutenant. From letters received from other soldiers it is known that the men who trained at Camp Lewis were fighting for two days in Belgium about Nov. 2, and doubtless it was in Belgium that Lieut. Enderle received the wounds concerning which the official report has been received. As usual, the wire from the War Department gave no details. "Further information when received," said the wire.

Relatives of Lieut. Enderle had become fearful that something had happened to Lieut. Enderle, for no letter had been received from him, and they knew that letters had been received from a number of Orange County boys who were in the fighting with the 91st Division, which trained at Camp Lewis. Further, they had seen the name of Lieut. A. M. Closterman of Portland, Ore., reported in the casualty list as "killed in action." Lieut. Closterman was a second lieutenant in Lieut. Enderle's company, and a close friend and chum. While in training together at Camp Lewis, the two officers were entertained often at the home of Lieut. Enderle's aunt in Tacoma.

Lieut. Enderle is well known here. He graduated from Santa Ana High School in 1908 and four years later from Stanford University. He was practicing law in Los Angeles when he entered the first officers' training school at the Presidio, where he secured his commission.

W. S. S.

WINTERSBURG

NOISE WAS TERRIFIC UP TO LAST MINUTE OF THE GREAT WAR

Everybody Made All Racket
They Could, Both In Allied and German Lines

(Miss Leora Blakey, Correspondent)
WINTERSBURG AND SMELTZER, Dec. 11.—Mrs. W. G. Alford and son Russell Alford each received letters the past week from their son and brother, Top-Sergeant Clayton Alford of the 22 Supply Co. of the 3rd Division in France. One of the letters was written on Nov. 11th at 11 o'clock as the firing ceased, telling of his safety. "You should hear the noise," he wrote, "it is terrific. Everyone is making all they can, not only our own boys but those on the other side as well."

A German sniper's helmet and cartridge box were received from him Wednesday by his mother and Thursday Russell received a box of smaller souvenirs of France.

The helmet which is camouflaged in yellow and green to correspond with the foliage when the sniper is in hiding, shows conclusive evidence of accurate marksmanship on the allied side. One hole in it is as large as a marble, the mark of a bullet is shown directly on the top of it, which has left a crack entirely across it and beside these the imprint of shrapnel is found in three or four places. Altogether it is a badly battered old helmet. The cartridge box, which is that regularly used by the German soldiers, is of sixty cartridge capacity.

The souvenirs were snugly sewed

ACID STOMACH IS DANGEROUS

Often Followed By Serious Gastric Ulcers, Says Authority. Most Frequent Cause of Dyspepsia and Indigestion, Says Keep Stomach Sweet With Magnesia.

"Stomach trouble, dyspepsia, indigestion, sourness, gas, heartburn, food fermentation, etc., are caused nine times in ten by chronic acid stomach," says a well known authority. Burning hydrochloric acid develops in the stomach at an alarming rate. The acid irritates and inflames the delicate stomach lining and often leads to gastritis accompanied by dangerous stomach ulcers. Don't dose an acid stomach with purgative or drastic drugs. The acid which causes the trouble remains in your stomach as dangerous as ever.

Instead, neutralize, or sweeten your acid stomach after meals with a little hot water and Bisulphate of Magnesia and not only will the pain vanish but your meals will digest naturally. There is nothing better to sweeten and settle an acid stomach than a good magnesia bath. It soaks up the harmful excess acid much as a sponge or blotting paper might and your stomach acts and feels fine in just a few minutes. Bisulphate of Magnesia is the special magnesia that should be used for this purpose and it can be obtained from any reliable druggist in either powder or tablet form. It is safe, reliable, easy and pleasant to use, is not a laxative and is not at all expensive.—Advertisement.

Middle Aged Women

Are Here Told the Best Remedy
for Their Troubles.

Fremont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. FLORENCE ISELLA, Box 197, North Haven, Conn.

In Such Cases

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Many Attend Funeral.

Many friends from this vicinity attended the funeral of Mrs. Saberta Miller, which was held on Monday afternoon at 2:30 at the Bundschu Chapel at Huntington Beach and the burial which followed in the Santa Ana cemetery. Mrs. Miller had been in failing health for some years and for the past several years had spent the greater part of her time at the hospital where she was when the end came. She survived her husband less than a year, his death occurring December 26th of last year. Mrs. Miller passed away last Saturday evening, Dec. 7th. Beside two stepsons, Dan Miller of Arizona and Ed Miller of Balboa, Mrs. Miller leaves relatives in the east. The family were residents of Wintersburg for a number of years and Mrs. Miller's great desire since being at the hospital was to regain her health, making it possible for her to return here.

JOHN E. DUBLIN BUYS TUSTIN MERCANTILE COMPANY'S STORE

Will Install Notions and Dry
Goods Stock; Ranches
Change Ownership

(Miss Florence Stone, Correspondent)
TUSTIN, Dec. 13.—The Tustin Mercantile store has been sold to John E. Dublin from Pasadena.

Several weeks ago one of the former partners, Claude Martin, sold his interest to C. O. Artz, the other member of the firm, and the dry goods department was dispensed with. For a few weeks Tustin was without a dry goods or notion department. Mr. Artz has now sold out to Mr. Dublin, who will put in a complete line of notions and dry goods. The firm name will remain the same as before.

Ranches Change Hands
W. E. Hughes has sold his farming interest, stock and implements on the Irvine ranch and is now taking a trip to Tulare with a view to finding a new location.

The ranch home owned by Dr. J. H. Daugherty has been sold to Roy Russell of the real estate firm of Shaw & Russell, Santa Ana, who plans to move onto the property at once.

Roy I. Smith has purchased a ten-acre ranch of C. M. Halderman on Seventeenth street. He and his family will make their home on the ranch in the near future.

C. A. Nordstrom has purchased a five-acre ranch home on Red Hill avenue.

George Brown, "the bee man," has recently purchased a five-acre tract on Mitchell and is beginning to build a home.

Rev. La Dieu in New York
Rev. M. E. Ladieu is now in New York, where he will spend a week and then he will go to France to engage in Y. M. C. A. work.

On Friday night before leaving he was given a pleasant surprise by his Boy Scout class of eight boys in the Sunday school rooms of the Advent Christian church.

The room was decorated in triangle advertisement

MRS. J. W. WILLIAMS GAINS 25 POUNDS

Health So Bad Before Taking Tanlac,
Don't See Now How She
Lived

"A little less than two months ago I began taking Tanlac and since that time I have actually gained twenty-five pounds," was the remarkable statement made by Mrs. J. W. Williams, of 659 Oroas St., Seattle, Wash., recently.

"My health has been very poor for many years," she continued, "but my condition has been so bad during the past two or three years that I really don't see how I lived. I suffered most all the time with fearful headaches and awful pains in my back and, in fact, I was racked with pain all over. I lost my appetite, and my nerves became so shattered that I hardly knew what sleep was. When my husband lost his sight my duties, of course, became doubly hard, and my health being bad already, I kept going down under the strain. I did everything I could to keep out of bed but finally got to where I was just up and down—would sit up one day and be in bed the next—and I even had to give up my housework because I was so weak. Every day was just another day of suffering and misery for me."

"I went down from one hundred and forty pounds to less than a hundred, and was just a frame with scarcely strength to move around. I finally made up my mind from what I read about Tanlac to try it and I have certainly found it wonderful. I now weigh one hundred and twenty-five pounds and if anyone could feel like a new person I do. My appetite is splendid and I am just building up every day. My nerves are in good condition. I have gotten rid of all my pain and now I sleep like a child every night. I have gained so much in strength already that I can do all my housework without any trouble and I have been benefited so much that I am glad to recommend Tanlac to everybody."

"Tanalac is sold in Santa Ana, by Rowley Drug Co., in Fullerton by G. W. Finch, in La Habra by R. H. Gilbert, in Huntington Beach by Rigdon's Pharmacy, in Orange by Dittmer's Mission Pharmacy, in Placentia by A. J. Robinson, in Tustin by Tustin Drug Co., in Brea by Brea Pharmacy, and in Buena Park by Regal Drug Co."—Adv.

symbols and refreshments also carried out the same idea. He was presented by the boys with a transport case and a box of candy. The boys were Hugh and Bert Rannels, John Page, Clair Hanson, Verley Kelley, Verne and Gale Vinson and John Ladieu.

Picture of Seaman's Guard
Mr. and Mrs. Wm. Jones have received a large picture of the Seaman's Guard of which their son, Paul Jones, and Virgil Deaver are members. The Guard is a company of picked men among sailors. Paul writes that he has been asked to sign up for four years and it is a difficult matter to decide whether it would be best to do so.

Few New "Flu" Cases
The influenza cases among the high school and other pupils in Tustin are getting along nicely with no serious consequences so far. There are a few new cases in families, most of them not more serious than the usual grip. Those who were taken first are out and entirely recovered.

Missionary Meeting Tuesday
The regular meeting of the missionary society of the Tustin Advent Christian church will be held Tuesday afternoon at the home of Mrs. C. Squires.

Advent Meeting Saturday
The annual business meeting of the Advent Christian Church will be held Saturday afternoon at 2 o'clock in the church. Some very important matters will be brought before the meeting and all the members of the church are urged to attend.

Tustin Church Notices
Advent Christian Church, Sunday, December 15: Sunday school will be held at 9:45 and morning service at 11 o'clock. Rev. Massey of Santa Ana will speak.

There will be no evening services. The members of the Advent Christian Church are urged to attend the annual business meeting tomorrow afternoon.

There will be no services held in the Tustin Presbyterian Church next Sunday.

Tustin Personal Notes
Mrs. A. Cooper of Rolla, North Dakota, is visiting her daughter, Miss Catherine Cooper, at her home on Holt avenue. Her sister, Mrs. G. H. Nerison, and two children are also visiting Miss Cooper. Mrs. Nerison's husband is now in France.

Visiting Relatives
Horace Shafer, who has been in training for the naval service at Gulfport, Miss., returned home last week on a furlough to visit his wife and mother, and relatives in San Diego. He is now visiting his uncle, Mayor Louis Wilde, at the Grant Hotel in San Diego. He found Mayor Wilde convalescing from an injury to his foot received in the last Liberty Loan drive.

Returns From Somis
Mrs. Emma Gale has returned from several months' stay at Somis, Cal. She is now with her sister, Mrs. Nicholas Jonas.

TUSTIN PERSONALS.
Mrs. Charles Willard and little daughter June are visitors in Los Angeles this week.

Mrs. W. H. McMurphy and son Frederick were recent guests of Mrs. J. A. Probst.

Mr. and Mrs. Solon Benbo of Lawton, Mich., were guests of Mrs. Benbo's sister, Miss Minnie C. Childs, last week. Mr. and Mrs. Benbo were recently married and came on their wedding trip to California for the winter. They are now in Los Angeles and will visit interesting points in Southern California.

Miss Bessie Clark, teacher at Placentia, will spend the remainder of the week with Mrs. W. S. McDougall. The Placentia schools are closed on account of influenza. Miss Clark and Elizabeth McDougall were visitors to Los Angeles last Saturday.

Mr. and Mrs. Burt Turner, from Bloomington, Ill., are guests of Mr. and Mrs. A. D. Turner.

Mrs. F. H. Greenwood and little daughter Leda Jane spent last week visiting in Santa Monica. Mr. Greenwood and Charles went over at the weekend-end and the party returned home Sunday.

L. A. Greenwood of Los Angeles was a guest of Mr. and Mrs. F. H. Greenwood on Wednesday.

Mr. and Mrs. Claude Martin and little daughter Josephine, left for their new home in Hemet on Monday of this week.

Mrs. J. J. Hartsock and son Ed, Miss Bird Hammond and Miss Dorothy Lindsey of Los Angeles, will spend the weekend with Mr. and Mrs. Hollis Lindsey.

Mr. and Mrs. Fred Eklund and Mr. and Mrs. Hollis Lindsey were visitors in Los Angeles at the weekend-end.

Miss Kate Schultz of Pasadena and Mrs. O. W. Gregg of Los Angeles were guests of Mrs. A. D. Turner last week, Tuesday, till Sunday.

Mrs. James S. Rice returned Thursday from a visit to Laguna Beach.

Mr. and Mrs. Dan Adams, formerly of Tustin, now of San Fernando, visited friends in Tustin on Tuesday.

Dr. and Mrs. G. E. Hatfield, who purchased a ranch on Laguna avenue some time ago, have now come to make their home in California. Dr. Hatfield is a brother of Mrs. S. W. Stanley.

Mrs. Carrie Van Vuren was a visitor to Whittier at the weekend-end.

**RELIEVED FROM
ITCHING BURNING
ECZEMA**

Gives Resinol the Whole Credit.
Aug. 15.—"For some time I suffered frightfully from eczema on my legs. From my knees down they were covered with scales, and itched and burned as though hot coals were resting on them. I would scratch until the blood came, and was unable to sleep at night. Nothing that I tried helped me, until a druggist recommended Resinol Ointment. After applying it once, I enjoyed the first good night's sleep I had had in weeks. Now I am sound and well after using a little over one jar of Resinol Ointment, to which I give the whole credit." (Signed) F. B. Price, 414 Downey St., Indianapolis, Ind.

Resinol Ointment and Resinol Soap are carried in stock by all druggists.—Adv.

W. C. T. U.'S LIBERTY BOND ALL PAID FOR, MEETING IS HELD

'Those Good Old Days,' New
Song, Relished at Session
at the Leihy Home

(Miss Florence Stone, Correspondent)
TUSTIN, Dec. 13.—A meeting of the Tustin W. C. T. U. was held Thursday afternoon at the beautiful home of Mrs. W. L. Leihy.

With the president, Mrs. Sarah Brown, in the chair, the meeting opened with singing "America." Mrs. J. O. Preble at the piano. The 27th Psalm was read by Mrs. M. E. Ladieu, and was followed by prayer by Mrs. C. A. Miller. Responses to the roll call were given in Scripture texts. Minutes of last meeting were read and approved. The treasurer's report showed the Liberty bond all paid for and \$8 in the bank.

The usual custom of sending a Christmas present to the old ladies' home in Los Angeles was discussed. Motion carried to make up the difference and send \$10 to the home.

The president reported that from the supply of socks and sweaters on hand, a number had been sent to boys at Camp Kearny and also some to sailor boys recommended by Paul Jones at Hampton Roads.

The corresponding secretary read a communication from Herbert Hoover sent out to all fraternal orders emphasizing the importance of conservation of food in order to help feed the starving people of Europe. At the close of this reading the following song was sung, "Those Good Old Days," to the tune of "Old Black Joe":

"Gone are the days when my steak was young and rare,
Gone are the pork chops from my bill of fare;
Hoover has said we must economize,
I hear my Uncle Sammy calling Hooverize!"

CHORUS
"I'm willing, I'm willing; let's all economize;
I hear my Uncle Sammy calling Hooverize!
Why should I grieve for my fast departing cash?
Why should I weep when my wife brings in the hash?
What though my cakes are the very smallest size;
I hear my Uncle Sammy calling Hooverize!"

"Why should I mourn when my bread is made of rye?
Why should I sigh for the good old custard pie?
We'll do our bit until the Kaiser dies,
I hear my Uncle Sammy calling Hooverize!"

Mrs. Hugh Wiley was prevailed upon to give a reading entitled "College Oil Cans," which conveyed a tremendous temperance lesson.

Mrs. Ella Brown read an article entitled "What Has Become of the Breweries, Compelled by Prohibition to Change Their Business?" These statistics show that breweries lend themselves with very slight change to the manufacture of many useful articles, making twice the business with sales force increased from one man to eighty and payroll increased from eighty to two hundred, making articles which supply international needs, while the beer market was limited.

A feature which made the meeting all the more enjoyable after the enforced vacation was the hospitality of the hostess, who invited the ladies to the dining room and seating them at a dainty table, coffee and cheese sandwiches, cakes and macaroons were served. During the delightful social time a record on the victrola gave "The Star Spangled Banner," sung by McCormack.

Two automobiles afterward carried the ladies to the Ladies' Aid bazaar.

The Tustin Presbyterian Ladies' Aid held their annual bazaar at the vacant store on Main street Thursday afternoon. The usual supper held in connection with the bazaar was omitted.

The pretty articles which the Ladies' Aid has been working on all the year were attractively displayed in the large room decorated with garlands of greenery and scarlet geranium. One corner of the room was occupied by Mrs. P. H. Ebel's curios, to which she had added a good many unique surprises. It had been planned to hold the bazaar during the afternoon and evening, but the place was thronged early in the afternoon and before time to turn on the lights there were scarcely a half dozen pieces of needlework left and the ice cream was all sold out.

A window of potted plants was conducted by Mrs. L. A. Cock, which proved a profitable feature. Many turned away disappointed who came late and found the fancy articles and ice cream all sold out.

Red Cross Work
The Tustin branch quota of work for the Red Cross this month is progressing nicely. Forty-three shirts and thirty girls' garments have been finished. The call for workers on the sewing has met with hearty response from a number of faithful women.

The knitting of socks is also going well. Mrs. Saunby will be at the school-house next Tuesday afternoon to receive any work ready to be turned in. She will be glad to receive all finished socks that can possibly be brought in, and will have yarn for any who wish to knit.

An Improved Street
"A" street, Tustin, has been greatly improved by grading, oiling and treatment of decomposed granite, reaching from Main street in front of the Jasper Leck property to First street.

Present at Golden Wedding
Grandma Gulick of Tustin, 93 years of age, was an interested guest at the golden wedding of Mr. and Mrs. Jaarves Harvey Gulick, celebrated last Friday afternoon and evening at their home at 17th and Spurgeon streets, Santa Ana. Grandma Gulick was a music teacher for thirty years. She was accompanied for one of the singers at the golden wedding.

COUNTY DAIRYMEN MEET DECEMBER 18

Cow Testing Association May
Be Organized, Under Aus-
pices of Farm Bureau

Local dairymen, realizing the necessity of increasing the efficiency of their herds, are interesting themselves in the advantages of a Cow Testing Association. Reports coming in from other counties where such associations have been in operation for some time, show marked results in improvement of herd outfits. Thousands of dollars of feed are saved by determining the individual record of every cow and culling out the boarders.

Orange county dairymen have felt the need of this for some time. Opportunity is now given through the Orange County Farm Bureau to arrange for a testing association. A preliminary canvass by the farm advisor has shown that most of the dairymen are anxious to have their cows regularly and systematically tested.

An open meeting of all dairymen in

BREAKS A COLD IN JUST A FEW HOURS

"Pape's Cold Compound" Ends Grippe
Misery—Don't Stay Stuffed-up!

You can end gripe and break up a severe cold either in head, chest, body or limbs, by taking a dose of "Pape's Cold Compound" every two hours until three doses are taken. It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Be sure you get the genuine.—Adv.

the county is called for Wednesday morning, December 18, at 10 a. m., at the farm advisor's office, Register building, Santa Ana, to discuss the organization of a Cow Testing Association.

F. H. Scribner of the Los Angeles Farm Bureau, who has charge of the association in that county, will be present and outline the work and successful results of that association.

All dairymen are invited to attend this meeting. The farm bureau emphasizes the importance of this meeting and urges all milk producers to be present.

MRS. THEO. P. HAYS IS DEAD FROM INFLUENZA

Mrs. Theodore P. Hays died in Los Angeles yesterday afternoon from double pneumonia resulting from influenza and preceded by ten weeks with whooping cough. She was 44 years of age and besides the husband leaves a daughter, Miss Bernice, who attained her 21st birthday today. The body was brought to Santa Ana last night and funeral services will be held at Smith and Tutill's at 10 o'clock tomorrow morning.

Mrs. Hays was the daughter of Mrs. Sue Spencer and a sister of Mrs. George E. Peters of this city and John Spencer of Los Angeles. She went through the public schools of Santa Ana and had resided in Santa Ana for many years prior to the removal of the family to Los Angeles about twelve years ago. Her husband is also an old Santa Ana man, being connected with Wells Fargo for many years. For a number of years past he has been head man for the Los Angeles Transfer Company at the Southern Pacific depot.

The family has many friends in this city who will deeply regret the news of the death of Mrs. Hays.

**BUREAU STATES
DEPENDENCY IS
NOT NECESSARY**

Rozell Case Brings Statement From War Risk Director at Washington

Dependency is not necessary in order that a beneficiary named in an insurance policy taken out by a soldier may collect payments under that policy.
The ruling comes directly from Herbert D. Brown, director pro tem of the Bureau of War Risk Insurance, and is in direct response to the agitation that arose over the fact that Mrs. Clara Rozell of Orange has not yet received any payment under the policy issued upon the life of Otto Rozell, a U. S. marine, killed at Chateau Thierry.
While assurances have been given to the public recently that the beneficiary need not be a dependent, Mrs. Rozell so far has been unable to secure payment. Whether or not her claim has been properly presented has not been stated by the authorities.
Today the Register received a telegram from the War Risk Insurance Bureau at Washington, D. C., from which the following is taken:
"Please permit Bureau of War Risk Insurance to correct misinformation concerning government insurance. Insurance benefits will be paid to beneficiaries within the permitted class whether dependent of the soldier or not. This bureau has never at any time promulgated or sanctioned any other interpretation of war risk act. Misunderstanding has arisen probably through confusion between war risk insurance benefits and war risk compensation benefits. Please publish this telegram in conspicuous place."
"HERBERT D. BROWN,
"Director pro tem Bureau War Risk Insurance."

**EUREKA PREPARES FIELD FOR
SACRAMENTO-TO-PORTLAND TRIP**
EUREKA, Cal., Dec. 13.—Eureka today began preparing a landing field for an airplane which is expected to stop here on a flight from Sacramento to Portland early next week.
City officials were notified that Major Emmons will start the flight from Mather Field.

**THIS FACTORY OWNER
SWEEP OUT THE FLOOR**

WITH THE AMERICAN ARMY IN FRANCE, Sept. 13. (By Mail).—He was a private, and he looked the part. But he hesitated when some war workers who wanted to establish a billet in some ruins offered him and his bunkie \$2 apiece to help sweep out the place. He wasn't busy just then. Finally he followed the example of his bunkie and accepted the job.
"If anybody'd offered me money to sweep out a house over in the States, I'd have turned up my nose," he told his friend. "You see, I own a couple of factories over there, and got a pretty good fortune beside that. But over here when you can't write a check and get it cashed, you'd do most anything for a couple of dollars for it's about the end of the month, and you haven't drawn your \$30 per for two months. War sure makes a fellow democratic."

**GIRLS! HAVE A MASS
OF BEAUTIFUL HAIR,
SOFT, GLOSSY, WAVY**

25-cent Bottle Destroys Dandruff and Doubles Beauty of Your Hair
Within ten minutes after an application of Danderine you can find not a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.
A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.
Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, for a few cents, and prove that your hair is as pretty and as soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.—Adv.

"Her" GIFT
French Ivory

Give "Her" French Ivory—it is the one gift she most desires, and milady's preference is well founded. For there is no other gift that is at once so useful, pretty, durable, dainty and refined as genuine French Ivory. But be sure you get the genuine, for there are many cheap imitations that are thin, hollow, turn yellow and do not last. Ours is the genuine French Ivory—heavy and solid with the cream tint and fine graining that are permanent. Not the least advantage of giving genuine French Ivory is its adaptability for adding to the set from time to time. For this reason you should select French Ivory because it never changes in color—we have a few pieces in our stock that have been here four years that are as uniform in tint as those we purchased recently. Give "Her" her heart's desire—French Ivory.

**YANKS ARE WINNING
FRENCH TOTS' HEARTS**
WITH THE AMERICAN ARMY IN FRANCE.—At least one generation of French men and women will idolize Americans.
American soldiers have won their way into the hearts of children of France everywhere in the army zone.
The American loves children, as can be seen in any village where U. S. troops are stationed. One never passes through villages without seeing soldiers on repose playing with French youngsters. The children crowd around the first Yankee they see, to "roughhouse" and play ball.
These are two forms of sport the French youngster had not known. French grown-ups do not like exercise that musses them up, and hence, "roughhousing" with the "kids" was unknown until the Americans arrived. French kiddies take to it like ducks to water, and an American is a popular article because he will let youngsters clamor all over him, and play. The Yankees like it, too, for it seems a bit like home. They have taken it as a duty to teach French youngsters to play ball, and in every village in the evening one sees dozens of games of catch going on, usually a Yankee playing with French boys and girls.
Incidentally, while the Yankees are Americanizing the coming generation of France, they are winning the hearts of mothers in France, who can hardly understand how and why the Americans will bother themselves to notice little folk. It is a Yankee characteristic which wins France.

GRAND JURY HOLDS OVER WITH INTENTION OF MAKING ITS RECOMMENDATIONS EFFECTIVE

CLEARCUT DECISIONS SHOWN IN REPORT MADE TO COURT

Legislature Is Asked For a
Number of Changes In
Various Laws

Providing Soldiers With Old
Jobs Is Advice Given
Employers

The filing of the report of the grand jury, which report is published herewith in full, did not bring about an immediate discharge of the grand jury, as has hitherto been the method of procedure.

Yesterday when the report was presented by the grand jury to Judge Thomas, the foreman, L. H. Wallace, said that it was the desire of the grand jury that it be not discharged but that it adjourn to some date in February.

There was no mention as to why the grand jury desired to remain a constituted body, but there is no question as to what it proposes.

This grand jury has found a number of instances in which reports of grand juries amounted to nothing. Conditions were reviewed, a report with recommendations made, the grand jury discharged and its report and recommendations soon forgotten.

It was with a desire to see certain things done that the grand jury decided to hold over until February. It adjourned yesterday until February 17, and it will hold no meeting between now and that time unless the court or the foreman calls it together. On February 17, the report filed yesterday will doubtless be reviewed, and where recommendations have met with no response, those in authority will be summoned and asked the question "why?"

Did Thorough Work
Those who have had anything to do with this grand jury declare that its work was thorough. Numerous inquiries were held, the conclusions being summed up in a paragraph. In reference to the speed of automobile stages using the state highway, the county motorcycle officers were summoned and questioned. Traffic infractions, such as the use of improper headlights and the tying of baggage on the left side of autos, are mentioned. The dangerous condition of North Main street at the city limits is pointed out.

Those on the grand jury were L. H. Wallace, Newport Beach; W. Dean Johnston, Westminster; E. E. Jahraus, Laguna Beach; E. E. French, Huntington Beach; H. H. Hale, Placentia; Carl A. Seamans, Yorba Linda; G. D. Toothacher, Orange; Hugh M. Day,

Crowded Courthouse Again Calls for Official Comment

The grand jury that yesterday submitted a report to Judge Thomas found that the Orange county court house has become too small for handling the county's business in a business-like way.

That same discovery was first made some few years ago by a grand jury, and every grand jury since then has had something to say about it.

Had it not been for the war, the Board of Supervisors before now would have made provision to meet the conditions. Plans were well along when construction was made impossible by federal orders.

One grand jury recommended that a hall of records be built at the northwest corner of the courthouse grounds.

Another grand jury recommended that a third story be added to the present court house. Somebody else proposed a north extension that would place an addition over the present jail. Suggestions innumerable have been made.

There are a dozen people who can tell exactly where a new hall of records ought to be built, and each of the dozen has a different location in view.

The present grand jury makes itself very plain upon the subject as to the need of additional room for Department No. 2, and the treasurer's, auditor's and tax collector's offices. That the court room of Department No. 2 is unsuitable for its purposes is pointed out.

The grand jury does not say where it thinks a new hall of records should be built, but evidently it favors a hall of records rather than a third story on the court house, for it says:

"We recommend to the Board of Supervisors that it take measures to build as soon as possible a modern, fire-proof hall of records, and pay for same by special taxation and not by sale of bonds."

The work as one regularly organized committee with interchanging arrangements as the work demanded throughout, instead of in two committees, as originally mentioned in your appointment.

We have examined all warrants drawn by the Auditor for the period December 1, 1917, to November 1, 1918, which were approved by the Board of Supervisors, and find the same to be regular with few minor corrections, which were of purely clerical nature, and the same have already been duly respected and corrected. The minutes of the board are complete and have been neatly and well kept.

The general conduct of the department has every evidence of being first class and for the best interest of the public.

In this connection we naturally had occasion to give more or less attention to every department in the county arrangements, and it was brought to our special attention that there is one department which, under the present statutory arrangement, is subject to more or less severe criticism, which criticism we have found extant in various localities of the state.

The criticism follows that the Surveyor's department is left open to the possibility of those in the service to go to a county job, spending a few hours there and the balance of the day on a private project and draw pay for the day's work, both from the county and the private interests. This condition we believe entirely unjust and that the possibility for the same should be fully removed. This could be well accomplished by legislative changes which will be mentioned in our legislative recommendation.

Auditor-Treasurer

We find the records in the Auditor's

department to be in splendid condition, very neat and accurate, and that the system used therein is most excellent. All the rules and regulations allotted for this department are being closely and effectually carried out. The public is courteously treated and the records are always available for ready reference.

We find the records in the Treasurer's department very neatly kept and in good order for inspection, at any time. We counted the funds in joint conference with the Treasurer, District Attorney, Auditor and chairman of the Board of Supervisors, and found the same to balance exactly with the records of the Treasurer and Auditor, and proper securities were on hand to insure the moneys loaned out, as per the specifications by law.

We submit herewith a blank form received from the Treasurer's office known as the daily balance sheet. It is the custom of this department to make up at the close of each day's business this balance sheet showing exactly the amount carried in each fund of the county at the beginning of the day's transactions, together with all moneys added to any fund during the day, and a new balance thereby developed for the balance at the close of the day.

By means of this daily balance sheet the Treasurer's department can tell at any hour of the day just the amount of funds carried in any fund in the entire county. This feature of the department we consider most commendable and therefore make this special mention.

We find a deplorably cramped condition in the Treasurer's department, and that the space allotted there is very unsuitable for the great volume of work being carried on there.

We find that in this department there are twelve different special funds required by law to be kept in the Treasurer's office and duly accounted for, besides the regular funds of the county, and that there are no allowances provided for by law for the extra service required in attending to these special duties.

Tax Collector
The general records of the Tax Collector's department are kept in a most splendid manner, very neat and accurate and with a splendid system of accounting. The entire department gives courteous attention to the public and makes a commendable effort to render efficient service. We find also in this department a like condition with reference to the special funds as we found in the Treasurer's office. For instance, the law requires that the funds of the Fullerton City Sewer District and the Garden Grove Storm Water District are collected by the Tax Collector and turned directly to the treasurer of the said district.

The other special district funds are the Bolsa Drainage District, Collateral Inheritance, County Clerk's Trust Fund, Deceased Estates, Delhi Drainage, Laguna Sanitary District, Newport Protection District, Newport Drainage District, Olive and West Orange Protection District, Personal Property Rebate, Road Improvement District No. 1, Santiago Storm Water District, Talbert Drainage District, Teachers' Pension, Westminster Drainage District.

The funds of all these above mentioned special features are required to be handled either by the Tax Collector or the Treasurer of the county, or both, and this service, which is continually growing on the hands of the county officials, is required to be done without any remuneration to the county from the special district whatever.

This condition we believe to be radically wrong and will mention again in recommendations.

School Superintendent
All records found in this department are in a most excellent condition. They are neatly and accurately kept and perfectly satisfactory. All warrants for the period above mentioned have been carefully checked up and found to agree with the records exactly.

We find a habit has grown up of marking or defacing school warrants before they were presented to the County Treasurer for payment, by scratching the face amount of the warrant and writing in another figure so as to deduct a certain amount for the teacher's Pension Fund. We do not know where this defacing is done, or by whom, but we believe it is done by the various banks where the warrants are first presented. We seriously object to this custom of defacing warrants and request that the County Treasurer be instructed to absolutely turn down all warrants of every nature which are presented for payment, wherein any irregularity is found, either by way of lack of irregular endorsement, defacement or any improper conditions whatever.

We ask that the Superintendent of Schools at once prepare warrants in such form as will officially provide for the deduction without changes to be made after delivery.

Sheriff
Here also we find the records to be neat, complete and accurate. The department is in healthy, active condition. The finger print feature is a most commendable and valuable adjunct, and is productive of very satisfactory results.

The jail is in good condition, clean and sanitary, and the inmates are very well provided for. The entire department seems to be conducted in a commendable manner.

We are persuaded that there is now less crime and corruption in our county, and therefore fewer inmates in the county jail than at other times, and this largely because of the persistent and intelligent efforts of the department.

We find that in order to bring prisoners from the jail to the court it is necessary to bring them out of the jail building to the open ground and then into the Court House, which in itself is not a consistent arrangement and will ask your further attention upon this item later on.

Local Recommendations
We recommend that the Supervisors of the county co-operate in an effort to bring about the custom of having all warrants of whatsoever nature, paid by the banks and concerns to men in

each of their districts respectively, only to the persons who did the work and to whom the warrants were drawn.

If there has been a habit of a road boss or a foreman assembling the various warrants of the men and cashing them for convenience, we most earnestly request that this custom be discouraged, and ask that the individuals present their own warrants either at a bank or a concern of the County Treasurer, himself in person, for the purpose of avoiding the possibility of a fictitious pay-roll.

We recommend that a finance committee be selected from among the members of the Board of Supervisors to meet and carefully examine all warrants as to the justice of the claim, correctness of amount, fund to be drawn upon, etc., before the board meeting at which the said warrants are to be presented for approval.

We recommend that the county treasurer be supported in positively refusing the payment of each and every warrant presented to him until the same is in every particular fully endorsed and perfectly regular.

We recommend that an overhead passage-way be constructed from the corridor of the jail to the corridor of the courts so that prisoners could be placed in the passage and conducted from one department to the other without being taken out into the open. We find that every department in the county Court House is cramped and without adequate accommodations, except the departments District Attorney, Superintendent of Schools and Department One. Department Two of the Superior Court being miserably congested and absolutely unsuitable for the nature of its demands. We most urgently recommend that the Supervisors immediately take some definite steps to provide suitable quarters for Department Number Two, Treasurer's Department, Auditor's Department and Tax Collector's Department.

We recommend further in justice to the Tax Collector and Treasurer of the county, that the special districts above mentioned, employ an expert accountant who shall make a careful and authentic audit of their records for the purpose of furnishing due reports to the districts and the county officials involved, with possible suggestions of improvement in their accounting systems, which reports may be verified from year to year by the Grand Jurors impaneled and thereby relieve the Grand Jury of the irksome and extend the task of making such researches themselves.

Legislative Recommendations
We recommend that specific effort be made to bring about proper legislation so that the County Surveyor's department shall be placed upon the same standard and basis as other departments in the county, and that an adequate salary be provided for the department together with the necessary deputy service.

We further request that the attention of the Legislature be drawn to the inconsistent ruling now in force requiring Grand Jurors to sacrifice their own imperative personal interests for the miserable pittance of \$2.00 per day and that provision be made as early as possible for the said Grand Jurors to take at least \$3 per day, together with mileage one way each day.

We further recommend that the Legislature change the fiscal year from the period now in custom, being July 1st to June 30th, so the fiscal year for state, counties and municipalities will be the same as the calendar year, from January 1st to December 31st.

As it now stands the law requires attention in county affairs to respect three different years, namely the calendar year, the fiscal year and the tax year. The law requires the Auditor to begin a new serial number for County Warrants the first of January each year, then on July first he is required to start a new fiscal year and other departments are required to give special attention for the third, being the year, and we are strongly impressed that the said change of the fiscal year, as above outlined, would be a great advantage to all county officials as well as to the general public.

Pay for Handling
We further recommend that the Legislature carry such measure as will provide a revenue to be paid to the county, of at least 1 per cent of all funds, except those arising from sale of bonds, handled by the county for the several special districts formed or existing within the county, the said amounts to be paid out of the general funds of the districts into the General Fund of the county, to be appropriated by the Board of Supervisors to provide for necessary extra service required.

In closing we wish to say that so far as our observation and research have gone, we are specifically persuaded that our county officials throughout are serving in a most efficient and conscientious manner, co-operating each department with all the others in a harmonious way, which is commendable to them and gratifying to the taxpayers of the county. We have received the most courteous treatment from every department that could be extended.

C. H. SEAMANS, Chairman,
H. H. HALE,
H. M. PALMER,
J. G. MITCHELL,
H. H. REEVES, Committee.

COMMITTEE REPORT
To Lew Wallace, Foreman:
Your committee on Public Highways begs to make the following report:

We recommend that the county supervisors take such steps as necessary to call the attention of the State Highway Commission regarding placement of the highways.

GARAGE AND FEED STORE

Garage Phone 1032. SAN JACINTO, CAL. Feed Store 1080.

We offer below, three ranches for sale, each in their price class we believe to be absolute bargains, soil, water and climatic conditions are unsurpassed.

20 acres, only one mile out of town, four flowing wells with reservoir, four room house, good large barn fitted for 30 cows, this place is slightly run down, but with a little brain matter and more elbow grease can be made in a short time into a \$10,000 place, it can be bought on very easy terms at the very ridiculous price of \$5000.

15 acres—This place is right up in the pink, ready to step into and have an ideal home and a good living. Less than a mile from town on a paved road. A good eight room house, with bath, cooler, closets, etc., good, large barn and outbuildings nicely equipped for 300 hens. Pumping plant, plenty of the cheapest water in the valley. Now listen, the price of this is only \$9000, and if you have a good little home up to \$2500 and \$1000 in cash you can trade for it with very attractive terms on the balance.

157 1/2 acres, close in between here and Hemet, this ranch is one of the best money makers in the valley, for dairy and general farming, now running as a dairy with 30 cows. 60 acres of fine alfalfa, 10 acres of 3 year old apricots, 20 acres pasture, balance has been used as grain land, all under irrigation. Good pumping plant with cheap water, cement pipe lines barn for ten head of horses, house and outbuildings. Equipped with all necessary tools and blacksmith shop, also 6 head of horses. Cows can be bought, but not included in price of ranch, which is only \$40,000. \$15,000 cash will handle it, and good terms on the balance, if you know the ranching game this proposition will interest you.

If any of these interest you in any way, take it up with us and we will do the rest. Our telephone is 941.

GARDEN GROVE
SEES ROSY FUTURE
FOR GARDEN GROVE

Sacramento Family Plans Locating in Thriving District; Notes and Personals

(Mrs. Harry Boley, Correspondent)
GARDEN GROVE, Dec. 11.—Mr. and Mrs. F. H. Bloodgood of Sacramento are house guests at the home of the former's sister, Mrs. W. H. Newcomer. They think of locating here. They will be a great asset as Mr. Bloodgood is a booster and sees great possibilities for Garden Grove.
Mr. and Mrs. Charles George and daughter arrived Tuesday to spend the holidays with Mrs. George's mother, Mrs. Fred Henrichson, after which they will return to Arizona.
Mr. and Mrs. G. R. Reburn were over Sunday guests of Mr. and Mrs. Mellon Phinney at Long Beach.
Sergeant, first class, Wm. A. Franklin of North Island visited Miss Olive Northcross Sunday.
Miss Mildred Francis is employed in the Sunset telephone office.
Mrs. E. A. Ladd enjoyed a visit last week from Mrs. Mary Spencer and daughter, Miss Edith, of Placencia. They were former neighbors in Iowa.
J. G. and M. B. Allen attended the funeral of Mr. Davis at Los Angeles Tuesday. They were former neighbors in Minnesota.
Mrs. J. G. Allen has received a letter from her parents, Mr. and Mrs. C. G. Oertly, who spent the summer in Canada, Monday, stating they would be home this week.
Mrs. George Tournat left Monday for San Antonio, Texas, to be at the bedside of her sister, who is critically ill with influenza.

WHAT ABOUT FATHER?

Obsessed with the big idea of protecting those at home, father often omits the essential protection of his most vital asset—strength.

SCOTT'S EMULSION

is as beneficial to the hard-working man of business as it is to the growing child. Scott's imparts the quality to the blood that enables the body to grip strength fast. Scott's helps solve the problem that faces every business-man—that of keeping up with the wear and tear on the body.

HARPER
COMPLETE DERRICK
OF INTER-STATE CO.

Duck Hunters Going Over the Top These Mornings; Newport Mesa News Notes

(Frank L. Dodge, Correspondent)
HARPER, Dec. 11.—The Fairview Farms community has several cases of chicken pox.
A derrick made of new lumber looms up in fine style on the site of the first Inter State oil well. It was finished on Tuesday.
Mrs. Shumard and daughter of Los Angeles were visitors last week at Mrs. Shumate's parents, Mr. and Mrs. J. Wilson, returning on Sunday.
The Fairview Farms Association has postponed its meeting for December.
Mr. and Mrs. Walter Young spent last Friday in Pasadena visiting friends.
E. C. Kersey "pulled his freight" from the San Pedro ship yards last week and has gone to work at Newport for the dredging company. He visited the fair at Los Angeles last Saturday and reports it very interesting, especially the livestock department.
The Fairview Lemon association has just finished picking three hundred boxes of lemons from the young trees in that district.
The Farm Bureau Association will hold an outdoor meeting on Friday, Dec. 20. The subject will be tree pruning. All interested are invited to attend.
Plant Beans For Church
The members of the Harper church began on Wednesday morning to plant ten acres of barley for the parsonage fund for next year. They raised ten acres of beans this year for the same purpose.
Mr. and Mrs. Bennett and Mr. Nugent went to Los Angeles last Sunday in Nugent's new Ford car. Mr. Mellott went along to instruct the owner in running his car.
C. Wilkinson and wife went to the fair at Los Angeles last Saturday, rain or shine, and it was mostly rain.
H. B. Woodrough's family took in the fair at Los Angeles on Wednesday.
Mrs. McCausland came down from Pasadena this week to visit her husband who is sick and having care at David Armstrong's.
About sunrise every morning the duck hunters are going over the top after game. If one shot out of every ten kills a bird there must be several hundred slain every morning. A stranger heard the popping of the guns before he got up one morning and thought the war was on again.
The late rain has made the soil in good order for barley sowing and many are taking advantage of it. In this respect the season is much more favorable than it was last year.
The poultry stock of the country is very much depleted. The Talbert meat peddler reports that hens are very scarce. The very high price of feed for the past three years is responsible for the reduction of poultry stock. The writer has found that two beds of thickly sown barley, each bed being 14 feet square has kept fifteen chickens and two pigs in fine condition for two months with very little grain feed. The bed sown first has been cut off twice and the second bed sown a month later is being now cut off the first time, while the first bed is getting large enough for the third

cutting. It is not good economy to turn the stock on to the barley to feed it off but cut it for each and every time it is fed. Begin cutting when it is ten inches high and for fowls it should be cut up into half inch pieces. For pigs feed it whole. Have the beds where they can be well sprinkled with a hose, and the soil well fertilized so as to force a quick, rank growth. Nothing excels it for making stock thrive and it makes the hens lay before they know it. It has the double excellence of being the best and the cheapest food obtainable for poultry.
The Mellott patent fumigators are doing duty in the citrus groves around Harper.
W. S. Williamson reports the sale, on Tuesday, of Newport Mesa five acre lot No. 604 to W. H. Welch of Harper. Harper lands are coming into prominence for the production of good apples, lemons and all kinds of vegetables and berries.
W. S. S.—
Order a gallon or brick of Taylor's Ice Cream for Sunday dinner.

NOTICE TO CREDITORS

Estate of Frances E. Finch, deceased. Notice is hereby given by the undersigned administrator of the estate of Frances E. Finch, deceased, to the creditors of, and all persons having claims against the said deceased, to file them with the necessary vouchers, within four months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California and for the County of Orange, or to exhibit them with the necessary vouchers within four months after the first publication of this notice, to the first publisher of this notice, at his residence, Route No. 2, Box 20, Orange, California, said residence being situated on the main Los Angeles and Santa Ana highway about 14 miles north of Santa Ana, California.
ALFRED W. FINCH, Administrator of the Estate of Frances E. Finch, Deceased.
C. HUGHES JORDAN, Attorney for Said Administrator, Suite 717 Investment Bldg., Los Angeles, Cal.

NOTICE OF SPECIAL MEETING OF STOCKHOLDERS OF THE FIRST NATIONAL BANK OF SANTA ANA

Notice is hereby given: That a special meeting of the stockholders of The First National Bank of Santa Ana, California, will be held at the office of said corporation in the First National Bank Building, at the Northwest corner of Fourth and Main Streets, in the City of Santa Ana, County of Orange, State of California, on the 14th day of December, 1918, at the hour of two o'clock p. m., of said day, for the purpose of considering and acting upon a proposition to increase the capital stock of The First National Bank of Santa Ana to Five Hundred and Fifty Thousand Dollars (\$550,000), with surplus of Two Hundred Thousand Dollars (\$200,000.00), and to transact all such other business as properly pertains to and is connected with such increase.
Said meeting has been called by order of the Board of Directors of said corporation.
Dated November 12th, 1918.
W. B. WILLIAMS, Secretary.

WINTERSBURG
MURDY'S CLOSE OUT
WINTERSBURG STORE

Family Moves to Bolsa, 'J. A.' to Work on Dredger; John Murdy Expected Home
(Miss Leona Blair, Correspondent)
WINTERSBURG AND SMELTZER, Dec. 12.—Mr. and Mrs. J. A. Murdy, who for the past four years have owned and conducted a grocery and general merchandise store at Wintersburg closed out on Wednesday, having sold out the stock on hand gradually since they decided to retire from business. The counters and other detachable parts, that belonged with their stock, were moved to Smeltzer where the lumber will be converted into other use. Mr. and Mrs. Murdy and family moved to Bolsa Wednesday, where they will live across from the school house. They will remain there at least two months while Mr. Murdy is employed in that vicinity. He will be employed as teamster for the Talbert dredger of which his son C. C. Murdy is engineer and the first work to be done will be in the immediate vicinity of Bolsa.
John Murdy, who has been for several weeks at an officers' training camp in the east, was expected home Wednesday according to a letter received from him by relatives here.

Returning To The South.

J. T. Worthing received a letter this week from his son, Lawrence Worthing, saying he and his wife were leaving Washington Wednesday of this week for Riverside where they have purchased a home and will reside. The Worthing and Mrs. Worthing's parents, Mr. and Mrs. Helen of Huntington Beach, left here for the north the latter part of June, making the trip by machine and expected at that time to remain away a year. Mr. and Mrs. Helen are remaining but Mr. and Mrs. Worthing who have been accustomed to California weather all their lives are not fully appreciating that of Washington. It was snowing when the letter was written and the ground was frozen five inches deep.

Christmas Program Will Be Given by the Sunday School of the local M. E. church on Sunday morning, Dec. 22nd. This plan has been decided a safer one than having the usual Christmas eve Christmas tree on account of the prevailing epidemic. The committee in charge are now drilling those who are to take part and the exercises promise to be quite interesting.

Mr. and Mrs. J. O. Pyle motored to Los Angeles Tuesday and spent the day visiting the Library Fair.

Mr. and Mrs. Ed Moore of Orange, were guests for the day Wednesday at the home of their son, E. Roy Moore and family.

Mr. and Mrs. E. Roy Moore entertained dinner Sunday Mrs. Moore's mother, Mrs. Barton, and brother, Geo. Taylor, wife and family of Huntington Beach.

Mr. and Mrs. J. O. Pyle were at Huntington Beach Wednesday evening in attendance at the installation service of the Eastern Star and the chicken supper that followed, which was given the lady members of the lodge by the gentlemen. Mrs. Pyle was the installing officer for the evening.

THE MARKETS

NEW YORK, Dec. 12.—Three cars navel, three cars lemons sold. Market is doing better on both navel and lemons. Weather fair.
ST. LOUIS, Dec. 12.—Two cars navel sold. Market is strong on both navel and lemons.
PITTSBURGH, Dec. 12.—Two cars navel sold. Market is firm.
PHILADELPHIA, Dec. 12.—One car navel sold. Market is steady.
BOSTON, Dec. 12.—No sale of California citrus fruit at auction here today.

L. A. Produce Market

Grapefruit is in heavier supply than for several weeks and both Arizona and California stock is moving steadily, although 64s are selling at a considerable discount over 80s. The movement on all varieties of apples is improving. Potatoes are a little weaker, the market having shown little signs yet of reacting from the slump at the first of the week caused by the heavy arrivals.

BUTTER AND EGG PRICES

BUTTER—Creamery, extras, Produce Exchange closing price, 61 lb. price to retail merchants in 1-lb. squares, 64¢ 65¢.

If You Saw Wood Each Day You Won't Need Cascarets

Great medicine,—the Sawbuck.
Two hours a day sawing wood will keep anyone's Bowels regular.
No need of pills, Cathartics, Castor Oil nor "Physic," if you'll only work the Sawbuck regularly.

Exercise is Nature's Cure for Constipation and,—Ten-Mile walk will do, if you haven't got a wood pile.
But, if you will take your exercise in an Easy Chair, there's only one way to do that, and make a Success of it.
Because,—there's only one kind of Artificial Exercise for the Bowels and its name is "CASCARETS."
Cascarets are the only means to exercise the Bowel Muscles, without work. Druggists—10 Cents a Box.

SWIFT & COMPANY U.S.A.

The Colder the Weather—The More Fuel Necessary

whether it is coal for the furnace, or fuel for the human body.
The body to withstand the rigors of winter, must have plenty of wholesome, energizing food.

Eat More Swift's Premium Oleomargarine

It is delicious and wholesome—the healthful spread for bread—sweet—pure and clean.
Not touched by hand in manufacture or packing. Contains the growth elements that children require.
It is the most widely distributed brand of Oleomargarine.
Saves 20 cents or more a pound. Is also splendid for cooking.

DOINGS OF THE DUFFS

WHAT DO YOU MEAN, I'LL HAVE TO WAIT UNTIL YOU CHANGE YOUR CLOTHES? AREN'T YOU GOING TO WEAR YOUR UNIFORM TO THE DANCE?

I SHOULD SAY NOT! I'M JUST DYING TO GET INTO THAT OLD DRESS SUIT ONCE AGAIN.

I CAN SEE VERY CLEARLY THAT THE THOUGHT THAT I MUST KEEP UPPERMOST IN MY MIND IS, NOT TO BEND OVER.

HURRY NOW AND GET YOUR COAT ON—OOP, THERE GOES MY GLOVE.

I'LL GET IT.

WILBUR, YOU'RE A PERFECT GENTLEMAN.

NOT IN THIS SUIT OF CLOTHES I AM.

For Sale

GRAND JURY MAKES DETAILED REPORT

(CONTINUED FROM PAGE ONE)

ing the shoulders on the highway from Irvine Station south to the county line. That the conditions existing now are such that unless remedied soon, will cause some accidents along said road. We find in places that there is a drop from six to ten inches on the sides. We consider this very important that it should be attended to at once.

About Repair Work

The county highway we find in fair condition excepting that the repair work on said county highway should be taken up immediately, as there are some places if left unattended to will create an extra expense in the repairing. We recommend that more permanent dressing or coating be placed on the concrete at all places where there are heavy loads hauled, namely, around warehouses and near beet dumps. The thin coating seems to scuff up and does not last.

The attention of the road foreman should be called to the shoulders of the county highway and we advise action on them at once.

We find Carbon canyon in very bad condition after rains, caused by the road men not working at the proper time. We find a great many holes and pockets in the road which, by a little attention could be drained and the road made in good condition by very little work.

For Better Roads

The dirt roads are in good condition excepting the Westminster and Talbert section, where, owing to the damp condition of the land, it makes it extremely difficult to maintain a permanent road; if there are not sufficient funds in those road districts, they should make some provision for securing more money for building a more permanent type of road.

We recommend that there should be a more permanent road from Huntington Beach mesa to the Newport mesa; also there should be some work done on the road from South Main to the Palisades around Newport Bay and as the material is right on the ground, it would not be a very great expense to do same.

The road from Seal Beach to Huntington Beach needs repairs, that portion being exceptionally bad inside the city limits of Seal Beach.

On North Main

We also recommend that the supervisors take up at once the conditions which exist just outside of the city limits on the highway on North Main street of Santa Ana.

We recommend that there be a strip of concrete put in some four or five hundred feet east of and between the tracks of the Pacific Electric. This we consider one of the danger points of the county on the state highway.

We recommend that Flower street from Chapman street to the city limits be put in first class condition, as it will make another entrance to the city.

ADVERTISEMENT

SPANISH INFLUENZA-A NEW NAME FOR AN OLD FAMILIAR DISEASE

Simply the Same Old Grip That Has Swept Over the World Time and Again. The Last Epidemic In the United States Was in 1889-90.

ORIGIN OF THE DISEASE

Spanish Influenza, which appeared in Spain in May, has swept over the world in numerous epidemics as far back as history runs. Hippocrates refers to an epidemic in 412 B. C., which is regarded by many to have been influenza. Every century has had its attacks. Beginning with 1831, this country has had five epidemics, the last in 1889-90.

THE SYMPTOMS

Grip, or influenza as it is now called, usually begins with a chill followed by aching, feverishness and sometimes nausea and dizziness, and a general feeling of weakness and depression. The temperature is from 100 to 104, and the fever usually lasts from three to five days. The germs attack the mucous membrane, lining of the air passages—nose, throat and bronchial tubes—there is usually a hard cough, especially bad at night, often-times a sore throat or tonsillitis, and frequently all the appearances of a severe head cold.

THE TREATMENT

Go to bed at the first symptoms—take a purgative, eat plenty of nourishing food, remain perfectly quiet and don't worry. Nature herself is the only "cure" for influenza and will throw off the attack if only you conserve your strength. A little Quinine, Aspirin or Dover's Powder may be given by the physician's directions to allay the aching. Always call a doctor, since the chief danger of grip is in its weakening effect on the system, which allows complications to develop. These are chiefly pneumonia and bronchitis, sometimes inflammation of the middle ear, or heart affections. For these reasons, it is very important that the patient remain in bed until his strength returns—stay in bed at least two days or more after the fever has left you, or if you are over 50 or not strong, stay in bed four days or more, according to the severity of the attack.

EXTERNAL APPLICATIONS

In order to stimulate the lining of the air passages to throw off the grip germs, to aid in loosening the phlegm and keeping the air passages open, thus making the breathing easier, Vick's VapoRub will be found effective. Hot, wet towels should be applied over the throat, chest and back between the shoulder blades to open the pores. Then VapoRub should be rubbed in over the parts until the skin is red, spread on thickly and covered with two thicknesses of hot flannel cloths. Leave the cloths,

loose around the neck as the heat of the body liberates the ingredients in the form of vapors. These vapors, inhaled with each breath, carry the medication directly to the parts affected. At the same time, VapoRub is absorbed through and stimulates the skin, attracting the blood to the surface, and thus aids in relieving the congestion within.

NO OCCASION FOR PANIC

There is no occasion for panic—influenza or grip has a very low percentage of fatalities—not over one death out of every four hundred cases, according to the N. C. Board of Health. The chief danger lies in complications arising, attacking principally patients in a run down condition—those who don't go to bed soon enough, or those who get up too early.

HOW TO AVOID THE DISEASE

Evidence seems to prove that this is a germ disease, spread principally by human contact, chiefly through coughing, sneezing or spitting. So avoid persons having colds—which means avoiding crowds—a common drinking cups, roller towels, etc. Keep up your bodily strength by plenty of exercise in the open air, and good food.

KEEP FREE FROM COLDS

Above all, avoid colds, as colds irritate the lining of the air passages and render them much better breeding places for the germs.

Use Vick's VapoRub at the very first sign of a cold. For a head cold, melt a little VapoRub in a spoon and inhale the vapors, or better still, use VapoRub in a benzoin steam kettle. If this is not available, use an ordinary tea-kettle. Fill half-full of boiling water, put in half a teaspoon of VapoRub from time to time—keep the kettle just slowly boiling and inhale the steam arising.

NOTE—Vick's VapoRub is the discovery of a North Carolina druggist, who found how to combine, in salve form, Menthol and Camphor with such volatile oils as Eucalyptus, Thyme, Cubeb, etc., so that when the salve is applied to the body heat, these ingredients are liberated in the form of vapors. VapoRub can be had in three sizes at all druggists. While comparatively new in certain parts of the North, it is the standard home remedy in the South and West for all forms of cold troubles—over six million jars were sold last year. VapoRub is particularly recommended for children's croup or colds, as it is externally applied and can, therefore, be used freely and often without the slightest harmful effects.—Adv.

needs electric lights for basement, the furnace smokes and a great deal of plastering is off the outside of the building, which should be attended to at once. The grounds need cleaning of weeds and fences need repairs.

The Laguna Beach district should have running water to school grounds which can be had, and some work should be done on road leading to school.

We find the city schools of Fullerton, Orange and Anaheim all in good condition except Central school building at Anaheim, which is an old school building, and sanitary conditions of toilets are bad. Would recommend that if a new building is not put in at once that they should take such steps as necessary to make the toilets more private than they exist at the present time.

In Good Condition

We find the Huntington Beach schools in good condition in every way and more improvements going on around the grounds which, when finished, will be a credit to the county. There is one thing to which we wish to call your attention, and that is the condition of the bus for the high school, which carries as high as 45 students to and from the school every day. The brakes on the bus are in a dangerous condition and the bus itself is very uncomfortable and should be replaced with a new one.

We want to compliment the district of Brea for the good condition of its school, which we consider one of the best schools of Orange county, and in that class we can also place Tustin, Placentia, Richfield, Villa Park, La Habra and Newport Beach.

The other schools in the county, the outlying schools, are in fair condition.

We would recommend that these schools which we have stated need repair should be attended to immediately, for when buildings and fences and grounds begin to deteriorate, unless taken care of immediately, they go very fast and will cause greater expense in the near future. We would recommend that the trustees of the country school district should be in touch with the condition of their school at all times so that any little repairs that are needed could be attended to at once.

Commend Teachers

We find in all the schools of Orange county that the reconstruction taken up by the teachers is very commendable. Your committee was happily surprised at a great many of the different studies, we had no idea they were entering into, and we find that the students are very much interested in their work.

We believe that if better salaries were paid in the country districts that it would be a great help in securing teachers that would remain teaching in those districts for a longer time, as we feel that the conditions in the outlying districts are such that would cause a teacher, as soon as she had experience, to leave the country and go into the cities, and by better salaries they could retain them.

Your committee, realizing the assets that good schools are to a country, heartily endorse any improvement in any way to benefit any school district in the county, as we believe it is the greatest advertisement for a county that could be made.

Respectfully submitted,
E. E. JAHRAUS,
W. DEAN JOHNSTON,
J. W. NELSON,
G. D. TOOTHAKER,
Committee.

COMMITTEE REPORT

To Lew Wallace, Foreman:
Report of Committee on County Offices—Recorder, Clerk, Assessor, District Attorney, Coroner and Public Administrator; also city offices of Fullerton and Santa Ana schools.

RECORDER—We found the books of the recorder absolutely correct as well as being neatly and attractively kept. In our judgment the general conduct of this office is a credit to the county.

ASSESSOR—In this office we found in convenient form all books and data necessary for our investigation. The more than \$400,000 in personal property taxes collected by this office for the year are fully accounted for by receipts from the auditor's office. We have only favorable comment to make on this office.

CLERK—We found all the fees collected by this office plainly and neatly posted. We checked all issues of marriage licenses against the cash book and found receipts from the auditor's office for all moneys received by the clerk's office. We deem the general conduct of this office all that the public has reason to require.

MANY TRAFFIC OFFENDERS DISTRICT ATTORNEY—In this office we found little to investigate in the way of finances. The few items of cash received by the office are fully receipted for by the auditor. Records of the office show that more than 500 complaints have been filed by the district attorney during the twelve months just past. The preponderance of complaints for violation of motor law is surprising. This report of past work, coupled with the fact that many habitual offenders are still too wily to be caught under adequate evidence indicates the size of the task that automobile traffic places upon our machinery for the enforcement of law.

CORONER AND PUBLIC ADMINISTRATOR—The books of this office were found correct in every particular.

FULLERTON—We found the books of the treasurer in Fullerton neatly and accurately kept. The city clerk's books are likewise in the best of shape. The books of the marshal and city recorder are correct. Those of Fullerton library, while apparently correct, could not be verified by us for want of vouchers. The city of Fullerton is to be congratulated on the condition of its finances.

SANTA ANA SCHOOLS—We visited and inspected all the school property of the city of Santa Ana and found all in as good condition as is to be expected in buildings of their age and class. We were especially pleased with the condition and appearance of the Lincoln school property.

Respectfully submitted,
A. B. GORDON,
M. T. PHILLIPS,
CHARLES GAMMELL,
Committee.

COMMITTEE REPORT

To Lew Wallace, Foreman:
Your committee on the outside towns begs to report that it has com-

pleted its work and finds that the books of the cities of Brea, Stanton, Seal Beach, Huntington Beach and Newport Beach are all in fine shape. The accounts of the various departments of these cities are being correctly kept, and we wish to commend the high degree of efficiency we found everywhere we visited.

We also found the books of the justices of the peace in our territory in fine shape, and we were pleased to note that criminal cases were very few, which denotes the high standard of our citizenship.

We have also completed the special work assigned to us of checking the books of Justice Cox of Santa Ana, which we find to be correct. Owing to the volume of business done in his office, we wish to make special mention of the splendid condition in which we found everything—a thorough system, neat and correct.

We also wish to state that everywhere we worked we were accorded the most gentlemanly and courteous treatment from the officials with whom we came in contact, which was very highly appreciated by this committee.

Respectfully submitted,
E. E. FRENCH,
E. E. COOLEY,
H. M. DAY,
Committee.

COMMITTEE REPORT

To Lew Wallace, Foreman:
We, your committee on cities, beg to report as follows:

We have examined the books of the several officers of the cities of Santa Ana, Orange and Anaheim, and after a thorough and systematic investigation, find them to be correct. Any errors found by us have been corrected and properly adjusted.

RECOMMENDATIONS

We recommend that the city treasurer of Santa Ana purchase a binder for loose leaves, now unprotected and liable to be lost or misplaced; further that in entering numerical order as far as possible, as is done in other cities.

At Orange we find that the city has an account deposited of \$414.88, with an accrued interest of \$8.30, known as a Memorial Fund. This account was taken from the Library Fund to pay for street paving, and it is our opinion that it should be transferred to the treasurer and kept by him until he is ordered by the trustees to make proper disposition of this amount.

The books of the city of Anaheim are in fine shape and are a model of neatness and accuracy.

The books of the city clerk of Santa Ana are in the best condition, showing fully all transactions, recorded and entered.

Respectfully submitted,
F. J. ADAMS,
CHARLES E. JONES,
ALBERT C. MOSHER,
Committee.

Committee of Whole

The report of the committee of the whole follows:

RECOMMENDATIONS—We recommend that the salary of the Superintendent of the County Hospital and Farm be raised from \$175 to \$250 per month.

We recommend that the Board of Supervisors appropriate sufficient funds for the purpose and appoint Mrs. Zaiser with power to complete the furnishing of the nurses' parlor and to pay the rentals of the nurses' private telephone.

We recommend to the taxpayers of the city of Anaheim that they take measures immediately to recover moneys illegally paid by the City Council of Anaheim to John Kellenberger for attorney's fees in a private suit.

Owing to the fact that the last previous Legislature raised salaries in all county offices except that of Sheriff, we recommend the following raises in salaries for that office:

Under sheriff from \$100 per month to \$150 per month.

Two bailiffs each from \$83.33 1-3 to \$100 per month.

Deputy jailer from \$75 to \$90 per month.

Jailer from \$100 to \$125 per month. Finger print expert from \$90 to \$125 per month.

We recommend the addition of an office deputy at \$125 per month.

Gun Club Dam

We recommend that, inasmuch as the dam of the Bolsa Chica Gun Club interferes with the outlet of the Bolsa Drainage District's ditches, causing water to back up and overflow, thus seriously injuring some of the most productive farms made in Orange county, steps be taken to remove the cause, whatever it may be.

We recommend that such steps be taken as are necessary to require the Pacific Electric Railway Company to increase the width of all bridge spans and increase the height of bridges, where the bridges interfere with the proper and rapid escape of flood waters.

We recommend to the Board of Supervisors that they take measures to build, as soon as possible, a modern fire-proof Hall of Records, and pay for same by special taxation and not by sale of bonds.

We recommend to all employers in the county, and particularly to county and city officials, that every honorably discharged soldier be granted the refusal of his previous position in civil life, regardless of hardship worked upon present incumbents.

LEW H. WALLACE, Foreman,
A. B. GARDNER, Secretary.

Vitality

VIM, VIGOR—"PEP"—the great needs of today, when men and women should have strength, fortitude and cheerfulness—these are denied the poor sufferer from kidney and bladder trouble.

That awful tired feeling, heaviness, languidness, soreness, stiffness, backache, rheumatism, lumbago, painful bladder weakness and other symptoms soon disappear when the kidneys are strong and healthfully active.

Foley Kidney Pills act promptly and effectively to restore weak, overworked or diseased kidney and bladder to health and normal functioning. Their healing and curative qualities are guaranteed.

M. T. Weston, 325-10th Ave. W., Duluth, Minn., writes: "I am pleased to testify that Foley Kidney Pills have been the means of giving me relief from a case of kidney and bladder trouble which bothered me for some time."

ROWLEY DRUG COMPANY

Ready as soon as the coffee is!

The best breakfast—and the easiest

WHEN the housewives of America serve a breakfast 120 million times in one year there must be some very good reason!

Their families love Aunt Jemima Pancakes better than any other breakfast they can serve! Such tender, golden-brown cakes they are! With a fragrance that brings the children pell-mell downstairs, and a flavor that makes them want more—more—more!

And this breakfast is so easy to prepare. Add a little water and the batter is made—pop them on the griddle and the cakes are done! No measuring, no mixing, no trouble at all. Perfect cakes—in two minutes!

And they are perfect every time. There's no chance of failure when you use

Aunt Jemima. The flour is especially ground and blended, so the cakes are always the same.

And the milk is already in it!

Sweet milk has been powdered and mixed in Aunt Jemima Flour—it gives these cakes their famous flavor. And you are saved all that extra expense!

Order a package of Aunt Jemima Pancake Flour today. Besides the best pancakes you ever ate, it makes fine waffles and light, tender muffins for your morning coffee. And for buckwheat cakes there is Aunt Jemima Buckwheat Flour (in the yellow package). Aunt Jemima Mills Company, St. Joseph, Missouri.

"VICTORY" BRIDGE OVER S. A. RIVER AT RIVERSIDE PROPOSED

RIVERSIDE, Dec. 13.—The latest proposal along the line of erecting a memorial to the memory of Riverside county men who fought in the great war is the building of a "Victory" bridge over the Santa Ana river at the western approach to the city. The Board of Supervisors considered the proposal, some of the members expressing themselves in favor of the project.

A new city hall is proposed as a suitable memorial to the men of this city who were engaged in war service. W. S. S. Taylor's Ice Cream is pure. Made in a clean and sanitary factory.

GYPSUM FERTILIZER

Kills Black Alkali, makes the land productive, makes the hard soil mellow, unlocks the elements. We have arranged to handle Gypsum in car lots, we have a DELIVERED and SPREAD price that will interest you, we also handle agriculture lime.
